THE REPUBLICAN DEFEAT.

Later Returns Contain Little to Cheer the Scalwart Heart.

The Democrats Appear Content With 25,000 Majority.

Besides Securing Fifteen of the Congressional Delegation.

The Republicans Gain One Congressman in West Virginia.

The Mormons Pick Out Several Congressmen to Kill Off.

"It Will Take Considerable Money, but we Will Spend it Freely."

The Election in Ohio.

CINCINNATI, O., October 11.—Complete but unofficial returns from Hamilton county show the following democratic majorities: Newman, secretary of state, 10,650; O'Key, judge supreme court, 9,809; Weible, board of public work, 9,794; Hawkins, sheriff, 11,111.

COLUMBUS, October 11.—Additional election returns are coming in slowly, as the republicans are getting no more advices and conceding everything but a few congressmen. Estimates this morning put the democratic majority in the state at twenty five thousand and make the congressional delegation stand fifteen democrats to six republicans. The election of McKinley in the Eighteenth district and Robinson in the Ninth, are in great doubt, and the republicans must carry both to get six congressmen.

A peculiar feature of the contest is that, while the republicans were championing temperance, the prohibition vote has greatly increased, and it is estimated, has a larger per cent of gain than the democrats.

COLUMBUS, October 11.—Returns to-day from the state election have been meagre. No systematic effort was made to figure on the majority on state tickets. The democrats, however, claim the state by 25,000 or more, though the republicans think it will not exceed 20,000. The congressional delegation will probably stand six to fifteen in favor of the democrats. The republicans claim the election of Taylor Robinson, Keifer, Updegraff and McCormack, and consider the contest close on Morey, McClure and McKinley. The democrats claim the election of Follett in the First district, Jordan in the Second, Morey in the Third, Le Ferre in the Fourth, Sney in the Fifth, Hill in the Sixth, Hurl in the Tenth, Neal in the Twelfth, Converse in the Thirteenth, Geddes in the Fourteenth, Warner in the Fifteenth, Wilkins in the Sixteenth, Wallace in the Eighteenth, Page in the Twentieth, Warren in the Twenty-first and conceded the election of Morey in the Seventy, Keifer in the Eighth, Robinson in the Ninth, McCormack in the Eleventh and Updegraff in the Seventeenth, Taylor in the Nineteenth.

CINCINNATI, October 11.—A special from the congressional districts show a very close contest between Morey, republicans, and Campbell, democrat, in the Seventh; Hart, republicans, and Neal, democrats, in the Twelfth, and McKinley, republican, and Wallace, democrat, in the Eighteenth. Morey claims a majority of 40; Neal and Hart each claim from 4 to 12, and the official count will be required to decide. Wallace claims a majority of 4, and here also the official count must determine. Murray, democrat, in the Third district, has a majority of 261. The Commercial's special from Blair, Ohio, says: Dr. Updegraff, the successful candidate for congress in the Seventeenth district, is reported dead. His home is remote from telegraph, and the report cannot be verified. It is known he was low with Bright's disease.

The Result in West Virginia. WHEELING, October 11.—Returns show increased gains for the republicans in this congressional district. Gen. Grant's majority for congress is estimated as high as 1,000. The democrats concede his election. Returns from the Second district also give large gains for the republicans, but not enough to elect Mason. He telegraphed to-night that he is beaten by about 500, which is a reduction of 1,600. Gibson, democrat, is said to be elected by 1,000 in the Fourth district. Kenia, democrat, is doubtless re-elected in the Kinawa district.

The Mormons in Politics. WASHINGTON, October 11.—The MORMONS are working for the defeat of congressmen who voted to declare Cannon's seat vacant. One of the men selected for destruction is Cassidy, of Nevada. A prominent Mormon writes: "We will beat Cassidy and thus show it is dangerous for outsiders to meddle in our matters. It will take considerable money, but we will spend it freely enough to cover him so thoroughly that he will never be heard of again. Republican congressmen from California will share the same fate. We must protect ourselves, and to do so we will use the same things they have used against us. Jere Black is our confident, our friends say, that he will knock the bottom out of the Edmunds outrage on us."

New York Politics. NEW YORK, October 11.—Wm. K. McGarigle, nominated sheriff by the democrats in county convention this afternoon on the first ballot. A resolution was adopted expressing inflexible opposition to prohibition and instructing the democrats in the general assembly to oppose every bill tending prohibition.

A Late Make Shift. NEW YORK, October 11.—Howard Carroll was only nominated for congressmen-at-large after fifteen prominent republicans declined the nomination.

RAILROAD NOTES. The Eastern Pool. NEW YORK, October 11.—At the continued meeting of the joint executive committee at Commissioner Fink's office to-day, a resolution to adopt continuous passenger tickets between all differential fare points, was referred to a special committee. The new line between St. Louis and Louisville, gave notice they would ask differential rates. Another meeting will be held to-morrow.

Another Rate of Rates. CHICAGO, October 11.—A meeting of representatives of the Chicago & St. Louis pool lines was held here to-day, and adopted a new tariff which materially increases the present rates. Details are not yet completed and the actual changes are withheld for the present.

A Railroad on Paper. CHICAGO, October 12.—The Chicago and Hannibal (Mo.), railroad was incorporated at Springfield yesterday. The capital stock is \$2,000,000 which Moses J. Richards, one of the leading incorporators says has been all taken. The road is to be about 280 miles long, but the precise route is not determined. The incorporators expect to begin work in the spring and run the first train by May, 1884. Nothing positive is known about the enterprise beyond this.

Doubling Up the Stock. ST. LOUIS, October 11.—The stockholders of the Texas and St. Louis Narrow Gauge railroad held a meeting at the office of the company to-day, and the proposition to increase the capital stock of the road in Missouri and Arkansas from \$4,850,000 to \$15,000,000 was voted on and unanimously adopted.

Railroad Accident. ST. LOUIS, October 11.—A meager report from Dallas, Texas, says a train on the Texas and Pacific road ran through a bridge over Sweetwater river some two hundred miles east of Dallas, at an early hour yesterday morning. The report says five or six persons were killed.

No More Extensions. CHICAGO, October 11.—S. H. H. Clark, general manager of the U. P., says that no Pacific extensions are to be built by the Union Pacific at present.

Fair Promises. NEW YORK, October 11.—At a banquet last evening in honor of Mr. John Pender, M. P., that gentleman said in the course of his speech: "I have been disappointed when I have taken up American newspapers, to see so little in them about the affairs of England. Seeing that the growth of commerce is so rapid, I think the press should arrange matters so as to familiarize the people of America with what is going on in England. It will be my duty when I return to endeavor to get the English press to pursue the same course in regard to American news. I may say that I shall be glad to use any influence that I have in connection with submarine telegraphy to so reduce the expense of the system to the press so as to enable them to use it more largely than they have hitherto done."

The President in Boston. BOSTON, October 11.—The reception to President Arthur at Faneuil hall this afternoon, was attended by an immense throng. The president was introduced by Mayor Green, and spoke as follows: "You have most sincerely greeted me for your cordial and enthusiastic reception. I know well that the day has been crowded, do not proceed from promptings of a personal regard for me. They only give voice to the unstinted loyalty of Boston and Massachusetts to the government of the United States. [Applause.] I know that they show the respect that the citizens of this grand old commonwealth and this magnificent city have for federal authority, which they themselves have helped to constitute, and in this spirit I accept and thank you for your gracious greeting."

As soon as the president ceased speaking there were loud calls for Secretaries Chandler and Lincoln, who spoke briefly. In the evening an elegant and informal banquet was given by the city government to the president and a few of his friends, and the federal officials in the city, Mayor Green presided, with the president on his right and Gov. Long on his left. A brilliant reception was given President Arthur to-night at the Hotel Brunswick. Fully 3,000 persons were present. It was strictly a full dress entertainment, and many of the toilets were elegant and costly. Mayor Green introduced the guests to the president.

THE OLD WORLD

The Trial of Arabi Commenced Without the Aid of Counsel.

The Question of Canal Government Considered by Bismarck and "The Times."

The Jewish Riots in Hungary and Labor Rights in Ireland.

THE ENGLISH IN EGYPT.

INDIGNITIES TO REBELS.

CAIRO, October 11.—Preliminary inquiries thus far all tend to support Arabi's assertion that the outrages perpetrated during the rebellion were committed against his will.

One of the chief eunuchs of the palace entered the cell of Aboul Gaffar, a political prisoner roused him from his sleep, spat in his face and inflicted other indignities upon him.

The council proceeded to Arabi Pasha's cell and acted in a similar manner, but with greater violence. Several officers are accused of complicity in these outrages. The correspondents accompanying the British army in the Egyptian campaign will receive the decoration order of Mejidich.

THE ARMY. ALEXANDRIA, October 11.—The strength of the Egyptian army to be 10,000 infantry, cavalry and artillery.

THE CANAL. PARIS, October 11.—Prince Bismarck, in a recent interview with politicians, said he believed England intended to secure a majority of shares in the Suez canal company, so as to oust M. De Lesseps. The Times considers these suppositions unfounded and believes M. De Lesseps more reasonable than might appear from proceedings during the war. The limits of the existing company's rights should be defined and the application of them brought within the jurisdiction of some independent and competent tribunal.

DRINK HEARBY. SUZ, October 11.—The water supply here is restored.

TRYING THE REBELS. CAIRO, October 11.—The committee appointed to try the rebel prisoners to-day examined several witnesses, including Princess Ibrahim and Kiamia. The evidence was not important. Arabi Pasha was brought before the committee and replied to their inquiries in a long but unimportant speech. His examination will be resumed to-morrow. The report that Arabi Pasha has been maltreated is denied.

ARABI'S OFFENSE. CAIRO, October 11.—Rizk Pasha still refuses to allow English counsel to defend Arabi Pasha. Sir Edward Mallet fully advocates the employment of counsel. He contends that delay in granting the application for counsel will seriously prejudice the case of Arabi, who meanwhile is being subjected to a long and severe course of private examinations.

GENERAL FOREIGN NEWS. IN LIQUIDATION. PARIS, October 11.—The official liquidator of the union general has taken up proceedings to have the last augmentation of the capital of the union declared to be void and to have the managers, auditors and directors made responsible for the deficiency of 20,000,000 francs.

THE HERBERT'S HANGING. ST. JOSEPH, October 11.—The steamer Neptune has arrived with the passengers and mail, baggage, specie, etc. From the wrecked steamer Herber, The German consul met the people on the wharf and had all sent to comfortable lodgings.

AN AMERICAN VICTORY. LONDON, October 11.—At New Market the Bedford stakes for 2 year

olds was won by Lorillard's Touch-Me-Not, Red Gold second, Speculum Gold third.
