Correspondence of The Chronicle. New York, September 28, 1882.—The fever for building that became epidemic here two or three years ago seems only to be taking on new strength.

It is only lately that rich New Yorkers have been exercising any more taste in providing themselves with homes than was required to make those buildings strong and roomy.

NEW FORMS OF ARCHITECTURE. It is only lately that rich New Yorkers have been exercising any more taste in providing themselves with homes than was required to make those buildings strong and roomy.
