Upon Which the Magnificent that New Court House Will

be Built.

Au Immense and Brilliant Proosesion, Half a Mile Long.

The Caremonies Conducted by the Masonio Graod Lodge-

Eloquent Address by Hon. Andrew J. Poppleton.

The laying of the corner stone of The laying of the corner stone of generations, transmiting to them through the new Douglas county court house the corner stone the bistory of the see in the new Douglas county court house took place yesterday, under the auspices of the grand lodge of Free and Ac-cepted Masons of the jurisdiction of Nebrasks. Although the day was chilly, with a cold wind blowing the deat in clouds

Actnough the day was cally, with a cold wind blowing the dust in clouds through the streets, it did not appar-ently lessen the attendance. The crowd began assembling at Court House square about 1 o'c.ock and the hill for an hour was black with people on their way to without the great on their way to witness the great muni ipal officers, surdry coins and documents and copies of the OMAHA BES, Her ad and Copies of the OMAHA BES, Her gressive county in the state.

At 1 o'clock the procuesion began forming on Sixteenth street and Capitol a renue, in front of the Ma-sonio Temple, and at 2 o'clock took mother the street and the street and the street and the street and sonio Temple, and at 2 o'clock took mother the street and the street and the street and the street and sonio Temple, and at 2 o'clock took up the line of march through the prin-cipal streets, as already published. As it passed down Douglas street to Ninth

and up Farnam street it presented a most imposing appearance, being over half a mile in length, and brilliant throughout with American, Irish and Danish flags and with the banners of the various societies participating, as

handsome, and among others the reporter noted the following:

Morse; silver flower stand, Miss A. Chaffee; set silver knives, forks and spoons, Mr. and Mrs. N. H. Gale; cream pitcher, Mr. and Mrs N. Mer-

Mrs. Belden; student lamp, Mrs. B. Izschuck; silver berry aish, G. B. Tzschuck; pallet, Mrs. E. Banson; plaque, Mr and Mrs. J. A. Gallespie; one pair gold bracelets from the groom, Frank M. Persinger; silver Cake basket, Mr. and Mrs. J. J. Dekey; steel engraving, Mr. and Mrs J. L. Snith; sewing machine, N. R. Persinger, Jentral City. The happy couple left in the after-

noon for their future home in Central

fatal. One cut was across the breast, severing a couple of buttons, a second infloud a cut on the right arm and snother made a horrible gash across the right aide of the neck, through which the jugular vein plainly protrud d.

The wounded man had his injuries attended to by Dr. H. W. Hyde, who found it necessary to take seven stuches in the cut on the neck, and who says it was a miraculous crcape from death. It was a hair oreadth escape from murder for "Windy Joe." At a late hour last night the police were locking for the man who cid the cutting, and it was expected that he would be in j il before morning. Just how serious Burns wounds may eventually prove is uncertain.

Completion of the Immense Reservoirs of the Water Works.

Some Fine Work Scon to be Exhibited to the Cmaha

Fublic.

Our citizens generally will be pleased to learn that the upper reservoirs of the water works company, located in West Omaha precinct, sra tion from patrons of the city and sur- now permanently finished and equal in completness to anything of the kind in the United States.

About a year ago the basins were made ready for the reception of water, but the brick work was really tion being that when every particle of the earthwork was thoroughly settled A to construct the brick work that is to conlast for all time.

So it was about two months ago the contract for the work was let to On the basement floor were found MacRitchie & Nichol, the celebrated civil engineers and contractors of Chicago, men who have successfully constructed more reservoirs of this kind than any firm in this country and who have at the present time several others under way. Charles Mac-Ritchie, the senior partner, came here in person with his able assistants, Mesers. Patton and by shelving was filled with builders' hardware of all sorts, sizes and value. A space is reserved on this floor for Beals, and not a moment's delay was the office, which is a busy scene at all made in commencing and continuing hours of the day, and where everythe work, until on Tuesday their conthing is found in the shape indicative tract was completed.
