THE CAMPAIGN.

The Workmen and Farmers' Movement.

Nominating Convention Wednesday-Grand Ratification Rally.

The workmen and farmers' committee held a session Wednesday and after a thorough discussion decided that the convention should be held on Wednesday next, November 1st, at 1:30 p. m.

It was also decided to hold a big rally and ratification meeting at Boyd's opera house on the same evening.

Prominent speakers from the interior of the state have been invited, among them Col. W. H. Ashby, Capt. J. H. Stickle, the farmer orator, and Hon. Jos. Hollman, of Dakota county.

An executive committee was appointed to take charge of all the arrangements, consisting of Messrs. Van Buren, O'Keefe, Behm, Ainsworth, and Ford.

Members of the committee reported that nearly all the principal labor organizations and the majority of the precincts had already elected delegates and the others have made arrangements to do so during the week.

Although there is, as yet, no excitement, a deep interest in being manifested among the workmen and farmers everywhere in this movement and judging from the general expression, there is no doubt of its final success.
