NOTED BUT UNFITTED WOMAN.

From the Boston Globe.
The above is a good likeness of Mrs. Lydia E. Pinkham, of Lynn, Mass., who above all other human beings may be truthfully called the "Dear Friend of Woman."

On account of its proven merits, it is recommended and prescribed by the best physicians in the country. One says: "It works like a charm and saves much pain. It will cure entirely the worst form of female irregularities, such as Pimples, Eruptions, and is especially adapted to the Change of Life."

It restores every portion of the system, and gives new life and vigor. It removes faintness, flatulency, destroys all craving for stimulants, and relieves weakness of the stomach. It cures Headaches, Nervous Prostration, General Debility, Sleeplessness, Depression and Indigestion.

It costs only 25 cents a bottle for six or 50 cents a dozen, and is sold by druggists. Any advice required as to special cases, and full directions for its use, may be obtained by sending for a copy of the Pinkham's Compound, which is sent free of charge.

For Ladies' Complaints of either sex, this compound, unprepared as abundant testimonials show.

Write for a copy of the Pinkham's Compound, which is sent free of charge. All must respect her as an angel of mercy, whose sole ambition is to do good to others. Mrs. A. M. D., Philadelphia, Pa.
