The Mule. No wonder the mule is a kicker. Were I a mule, I, too, would kick. I know just exactly what kind of a mule I would be.

With striped legs like a zebra, and a dark-brush tail, and my mane cut short, and my fore-top banged, and a head as long as a flour barrel, and I'd be worth two hundred and a half in any market, and I'd wear a hat harness and no binders, and some day when some man hitched me up to a dray and piled on a ton and a half of pig iron, a cord of wood, six barrels of flour, and a steamboat boiler, I would start off with it patiently, and haul it steadily until I got to the top of the grade on the new road around North Hill, and right about there and then a falling maple leaf, fluttering down in a squall of gold and crimson, would scold me all but to death, and the authorities would have to drag the Mississippi river six weeks to find all that load and some of that driver, while in three minutes after that driver, emette I would be tranquilly browsing on the grassy heights that smile above the flowing river. That is the kind of a mule I would be.

PLAIN TRUTHS

The blood is the foundation of life, it circulates through every part of the body, and unless it is pure and rich, good health is impossible.

If disease has entered the system the only sure and quick way to drive it out is to purify and enrich the blood.

These simple facts are well known, and the highest medical authorities agree that nothing but iron will restore the blood to its natural condition; and also that all the iron preparations hitherto made blacken the teeth, cause headache, and are otherwise injurious.

Brown's Iron Bitters thoroughly and quickly assimilate with the blood, purifying and strengthening it, and thus drive disease from any part of the system, and it will not blacken the teeth, cause headache or constipation, and is positively not injurious.

Saved his Child. 17 N. Eutam St., Baltimore, Md.

Gentle.—Upon the recommendation of a friend I tried Brown's Iron Bitters as a tonic and restorative for my daughter, whom I was thoroughly convinced was wasting away with Consumption.

Having lost three daughters by the terrible disease, under the care of eminent physicians, I was loth to believe that anything could arrest the progress of the disease, but, to my great surprise, before my daughter had taken one bottle of Brown's Iron Bitters, she began to mend and now is quite restored to former health.

A fifth daughter began to show signs of Consumption, and when the physician was consulted he quickly said "Tonics were required," and when informed that the child had taken Brown's Iron Bitters, responded "that is a good tonic, take it."

BROWN'S IRON BITTERS effectually cures Dyspepsia, Indigestion and Weakness, and renders the greatest relief and benefit to persons suffering from such wasting diseases as Consumption, Kidney Complaints, etc.
