How Much Will Do It.

How much of Thomas' Eclectric Oil is required to cure? Only a very little. A few drops will cure any kind of an ache; and but a trifle more is needed for sprains and lamenesses. Rheumatism is not so readily affected; an ounce and sometimes two ounces are required. No medicine, however, is so sure to cure with the same number of applications.

Beer Once More.

Dr. William A. Hammond, who is undoubtedly one of the ablest men in his profession and a man of original thought and genius, comes out emphatically in defense of beer. He says that it is a very healthy beverage, that it aids digestion, quickens the mental faculties, and that he often takes lager beer himself. Moreover, he is quite liberal in the allowance which he makes to men and women generally, saying that the strong and healthy can easily stand five or six glasses per day. With reference to the adulteration of beer with bicarbonate of soda and glucose made of old rags, he thinks thas even these are not particularly dangerous. Beer could not have a stronger defendant than Dr. Hammond, whose comprehensive palate has ranged through the entire gamut of beverages, from a whisky cocktail to Chateau Yquem. If he says it is safe to drink beer, people should not be frightened by the present outcry and drink it with impunity.

Fraud

Tens of thousands of dollars are squandered yearly on traveling quacks, who go from town to town professing to cure all the ills that our poor humanity is heir to. Why will the public not learn common sense, and if they are suffering from dyspepsia or liver complaint, invest a dollar in SPRING BLOSSOM, sold by all druggists and endorsed by the faculty. See testimonials. Price 50 cents, trial bottle 10 cents.

Dignity.

Laramie Boomerang.

Colonel Ingersoll said at Omaha the other day that he hated a dignified man and that he never knew one who had a particle of sense; that such men never learned and were constantly forgetting something.

Josh Billings says that gravity is no more the sign of mental strength than a paper collar is the evidence of a shirt.

This leads us to say that the man who ranks as a dignified snoozer and banks on winning wealth and a deathless name through this one source of strength, is in the most unenviable position of any one we know. Dignity does not draw. It answers in place of intellectual tone for twenty minutes, but after awhile it fails to get there. Dignity works all right in a wooden Indian or a drum major, but the man who desires to draw a salary through life and to be sure of a visible means of support will do well to make some other provisions than a haughty look and the air of patronage. Col. Ingersoll may be wrong in the matter of future punishment, but his head is pretty level on the dignity question. Dignity works all right with a man who is worth a million dollars and has some doubts about his suspenders, but with the man who is to get a large sum of money before he dies and get married and accomplish some good, must place himself before his fellow men in the attitude of one who has ideas that are not too onely and isolated.

Unmarried Persons

Should lose no time in securing a certificate in the Marriage Fund Mutual Trust Association of Cedar Rapids, Iowa, concerning which circulars and full information will be sent free upon application. It is organized under the Insurance Laws of Iowa, and is the only legalized and legitimate institution of the kind in the country. Its officers and managers are among the most prominent business men in Cedar Rapids, including bankers, the postmaster, capitalists, railway managers, insurance men, leading lawyers, physicians and other reliable citizens. Over $15,000 has already been paid to members. It is a splendid investment, as safe, secure and safe as a Government bond. You can just as well have a good sum of money to commence married life on, as not. Remember it only costs you one cent for a postal card to request full explanation and information. Good agents can get territory if applied for soon. Write to-day. Do not postpone it. Mention where you saw this notice. oct26 1m*

GRATEFUL—COMFORTING.

EPPS'S COCOA.

BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Gazette.

SCROFULA.

The seat of all diseases of this nature is in the blood, as any one manifestly knows; therefore, if you purify the blood, the disease, in any form or stage, disappears. Read what those say who have tested the merits of the great vegetable blood purifier, S. S. S. It cleanses the blood of all scrofulous taint so thoroughly that the disease never returns.

I had scrofula for seven months, the ulcer covering the entire surface of both legs. After having tried the usual remedies with no relief, I resorted to S. S. S., and am glad to say that six bottles has effectually cured me. A. S. LENFESTY, Atlanta, Ga.

I suffered from scrofula 17 years. My shin bones were covered with ulcers and one mass of rotten flesh, and the odor was almost unbearable. All remedies and treatments failed until I began taking S. S. S. Previous to taking it I at times could scarcely walk. Now I can walk all day, and I have to thank S. S. S. and it only for my cure. THOS. MCFARLAND, Atlanta, Ga.

Some thirty years ago there lived in Montgomery, Ala., a young man who was terribly afflicted with Scrofula. After being treated for a long time by the medical profession of this town with no benefit, he commenced taking S. S. S. After persistently taking it two months he was cured. Being acquainted with him for 20 years thereafter, I can testify that the disease never returned. J. W. BUTLER, J. P., Hot Springs, Ark.

$1,000 Reward will be paid to any chemist who will find, on analysis of one bottle of S. S. S., one particle of Mercury, Iodide of Potash or any Mineral substance. SWIFT SPECIFIC CO. Props Atlanta, Ga.

COL. L. T. FOSTER.

Youngstown, Ohio, May 10, 1880.

DR. B. J. KENDALL & Co.—I had a very valuable Hambletonian colt that I prized very highly. He had a large bone spavin on one joint and a small one on the other which made him very lame; I had him under the charge of two veterinary surgeons which failed to cure him. I was one day reading the advertisement of Kendall's Spavin Cure in the Chicago Express, I determined at once to try it and got our druggists here to send for it, and they ordered three bottles; I took all and I thought I would give it a thorough trial, I used it according to directions and the fourth day the colt ceased to be lame and the lumps have disappeared. I used but one bottle and the colt's limbs are as free of lumps and as smooth as any horse in the state. He is entirely cured. The cure was so remarkable that have let two of my neighbors have the remaining two bottles who are now using it.

Very respectfully, L. T. FOSTER

Send for illustrated circular giving positive proof. Price $1. All Druggists have it or can get it for you. Dr. B. J. Kendall & Co., Proprietors, Enosburgh Falls, Vt.
