

THE DAILY BEE-OMAHA THUESDAY NOVEMBER 30

The Modern Red Riding Hood

The subject of this skotch w clever little girl, who derived her

Sincinnati Saturday Night.

I was conducting some experiments with nitrogen gas years ago. In other respects, my days pass as painlessly as they did when I was a boy carrying a It grocer's basket about the streets. It

grocer's basket about the streets. It is very curious," added the aged phi-lanthropist musingly, "bu', somehow, though I have none of the pains and troubles that old men talk about, I have not the same luxury of life-the would "just sleeve wore what she same relish in the mere act of livingon." When one of the neigh that I had them. Age is like baby-hood come back again, in a certain that I had them. Age is like baby-hood come back again, in a certain way. Even the memories of baby-life come back—the tricks, the pranks, the boyish dreams; and things that I did come back—the tricks, the pranks, the boyish dreams; and things that I did not remember at all when I was forty or fifty years old I recollect vividly now. But a boy of ninety and a boy of nine are very different things, none the less. I never felt better in my life creent for twinger creasioned by

life, except for twinges occasioned by my nitrogen experiment," said the old in her life that though little read, man, as he took the friend's hand at man, as he took the friend's hand at parting. "But still I hear a voice with which her mother dispatched calling to me, as my mother often did when I was a boy, 'Peter. Peter, it is about bedtime," and I have an old easily understcod. easily understood. man's presentiment that Holding the lead dime, which

I SHALL BE TAKEN SOON." mother had given her for her car If there had been a second sight in tightly in her hand, Little Red R the old man's words, he could scarcely Hood started for a street car, have spoken more prophetically; for, having a few minutes to wait, although extended over several months proved the opportunity by settin and marked by no visible symbols of a howl that attracted the attention of disease, almost from that day the decline of senility commenced, and day she explained her cause for grief. She by day a vell has stolen over his once was going, she said, to her poor, sick alert senses. His memory of events grandmother, and had been put off a has grown misty; as he expressed it car because her dime was a counter-with graphic brevity the other day, feit. The gentleman gave her a quar-he seems to see things in a fog that happened years ago, and to notice conductor in due time called on Little things going on around him as if he Red Riding Hood for a fare, when she was dreaming. At times his sight ap-pears to be almost completely ex-hausted, and he peers into the famillar faces of old friends, with the sad apology, "You must excuse me, but I cap't gears to be almost completely ex-bausted, and he peers into the famillar about the sad dime. "This is counterfeit," said the conductor; whereat Riding Hood fell to sobbing as if her heart would break, the con-ductor passed her, and an old lady cap't see you." His hearing is coundly can't see you." His hearing is equally impaired, but a strange phenomenon - due probably to irritation of the ex-piring auditory nerve—occasionally develops itself. He hears sounds a the codfish balls; then she bought great way off and complains of the some milk from a drunken milkmar, rumbling of vehicles and the confu- upon whom she passed the counterfeit sion of voices on Union square. But dime, receiving from him 16 cents in change, after which she proceeded to her grandmother's and staid with her EXTRAORDINARY SENSITIVENESS for three weeks. only troubles him occasionally - gen-In contrasting this story with the erally at night, after he lays his head original Little Red Riding Hood, the upon his pillow; thus evincing a fact reader should bear in mind the disadoften noticed by physicians having the vantage our heroine labored under in care of nervous invalids, namely, the being her own wolf, a role which she extent to which the vibrations of sound are transmitted by the upper sustained with signal ability. There

COL. L. T. 'FORTER. Youngstown, Ohio, May 10, 1880. Dr. B. J. Kunball, & Co. -- I had a very value ble Hambletonian colt that I prized very highly, he had a large bone spavin en one joint and e-simel i had him under the charge of two veter-inary surgeons which falled to cure him. I was one day reading the dvertisement of Kendall's Boavin Cure in the Chicago Express. I determined at once to try it and got our cruggists here is send for it, and they ordered three bottles; I doois all and I thought I would give it a thorough trial, I used it according to directions and the tourch day the colt cellsed to be lame and the timps have disappeared. I used but one bottle and the colt's limbe are as free of lumps and as semoth as any horse in the state. He is suffre-ly cured. The cure was no remarkable that have lottles who are now using it. Yery respectfully. L. T.
