J. Mueller's Palace, Music Hall. The district court is to open Monday. The city council is to meet next Monday night in regular session. Dishes, glassware, linens, etc., at 303 Broadway. Howe & Son. Old papers for sale at THE BEE office at 25 cents per hundred. The outgoing train this afternoon eastward is over the Chicago, Rock Island & Pacific.

As a fine display of picture frames, moldings, etc., and those who are planning for gifts should surely visit this establishment, as there is certainly a great variety of rich goods to select from. A horse attached to a wagon belonging to Ticknor's meat market celebrated Thanksgiving day by a little run, but made a little smash. As an indication of the crowded condition of some of the school rooms, it is stated that there was one hundred enrolled in the primary school of the Center street school. There was last evening a pleasant social time at the Presbyterian church, an oyster supper being served, and a large number of fancy articles, prepared by the ladies, which were disposed of to ready buyers.

PENNED FOR USING A PEN. Capture of a Young Man Who is Said to Have Done Much Forging. For some time the Chicago, Burlington & Quincy railway company has been not only annoyed, but it is said, they have lost much money on account of variously forged time-checks. Efforts have been made to catch the chief offender, it being evident that there was a systematic scheme in the matter and a slick worker at the bottom of the affair. They think now that they have trapped the fellow, having arrested a young man named David Owens, who was captured in St. Paul and brought to this city Thursday. It appears that they have been after Owens for some time, but in vain. Owens had been living at Creston, and left there some time ago, leaving his wife there. Watch was kept upon her, and when she started to join her husband she was shadowed, and thus the husband was caught. His examination is to take place before Justice Frayne next week. On being locked up in jail he was recognized by one of the prisoners, named Bentley, as the fellow of whom he got a forged time check, and which he passed off at Farmers' store, it calling for \$84. Bentley got into trouble by passing this check, and he claims that Owens is the man from whom he received it. The capture is looked upon as an important one, and it is claimed that the losses from the forgeries count up quite heavy.

THE PUBLIC SCHOOLS. The Latest Doings of the Board of Education in Regard to Them. The board of education held a meeting Wednesday evening to make some important changes necessitated by the opening of the new building in Hall's addition, which is to take place next Monday. The board concluded to transfer all pupils now attending Mill's school who live on Center street and west of that street, to the new Hall's school. It is not thought that these will be enough to fill the two rooms in the latter school, and some other transfer will probably soon follow. It was decided to ask the city council to build a sidewalk on Avenue G, north across Eighth street, and extend on Eighth to intersect with it, so that pupils may be the better accommodated. Miss Shepherd was assigned to duty in the second primary of the Bloomer school to fill the vacancy caused by Miss Van Dorn's resignation, and Miss Lyon was appointed assistant in the first primary of the Bloomer school. Mr. L. L. Yager was chosen principal of the new building in Hall's addition, and Miss Davis put in charge of the other room. Another meeting of the board is to be held next Tuesday evening. Millions Given Away. Millions of bottles of Dr. King's New Discovery for Consumption, Coughs and Colds, have been given away as Trial Bottles of the large size. This enormous outlay would be disastrous to the proprietors, were it not for the rare merits possessed by this wonderful medicine. Call at C. F. Goodman's Drug Store, and get a Trial Bottle free, and try for yourself, never fails to cure.

How Much Will Do It. How much of Thomas' Electric Oil is required to cure? Only a very little. A few drops will cure any kind of an ache and a little more is needed for sprains and lamenesses. Rheumatism is not so readily affected; an ounce and sometimes two ounces are required. No medicine, however, is so sure to cure with the same number of applications. A UNION THANKSGIVING. Some of the Reasons Assigned For Glad Hearts and a Merry Time. The union services held at the Presbyterian church on Thanksgiving day proved very interesting, and were attended by a large number, every seat in the house being taken. Owing to the unexpected calling away of Rev. Mr. Amstrong, pastor of the Broadway Methodist church, who was to deliver the sermon, the service was
