FINANCE AND COMMERCE.

FINANCIAL.

Special Dispatch to THE BEE.

NEW YORK, December 4.

Money—Market at 4@5 per cent, closed offered at 3 per cent.

Prime Mercantile Paper—6@8 per cent.

Sterling Exchange—Bankers' bills, steady at $4.80¾; demand, $4.84¼.

Governments were strong at ⅛@¼ per cent higher.

Railroad bonds were irregular on moderate volume of business.

State securities neglected.

The stock market was devoid of any special features this forenoon, except greater firmness than might have been expected in view of the continued uncertainty about the prospects of the settlement of the railroad war. In the afternoon the market was rather quiet and with only fractional changes, though there were a great variety of rumors about the prospects of the settlement of the railroad war, until the market was suddenly depressed by a reported dispatch in regard to supposed cutting on Gould roads. Mr. Gould is reported to have said late this afternoon that there was no truth in the report that the dispatch referred to had been received from General Manager Gilds, and that there was no cutting and would be no cutting of rates on his roads. It seems, therefore, that the whole thing was concocted to break the market.
