GOLD ROPE.

The intrinsic merit and superfor quality of our Gold Rope Tobacco has induced other manniacturers to put upon the market goods similar to our brand in name and style which are offered and sold for less mozey than the genuine Gold Rope. We caution the t ade and consamer to see that our name and trade mark are upon each lump. The only genuine and original Gold Rope Tobacco is manufactured by THE WILSON & McNALLY TO BACCO JOMPANY.

OLD SORES AND

BLOOD OR SKIN DISEASES IN ANY STAGE,

Disappear before the perfect alterative

Disappear before the perfect alterative and tonic effect of the greatest of all Blood Purifiers. It so completely roots out all poison from the blood and braces the debilitated system, that diseases of this nature disapperr like cnaff before the wind.

S. S. S., cured me of Scalp Sores, Sores in Nostrils and Ears, after everything known to the medical profession had failed. Three months have passed since I cut taking S. S. S.; there is no symptom of the disease remaining; I are permanently cured. It stands unrivaled for Blood Diseases."

Salamanca, N. Y.

"S. S. S. stands without a peer. The

"S. S. S. stands without a peer. The profession will have to acknowledge it a specific for Blood Diseases."

Dr N. L. Galloway, Monsoe, Ga.

"About four or five weeks ago I was afflicted with a very aggravated type of BloodDisease. I commenced using S. S. and after taking the first bottle felt so much relieved that I bought five more, and amglad to say, after using four of the \(\omega\), that I am entirely cured, freviously having been under medical advice for several months."

C. G. RATCLIFF,

Richmond, Va.

"After suffering from the worst Blood Diseace for more than two years, and having been treated by several eminent physicians, confined to my room and bed the greater part o he ime, my body covered with copper-colored sores from the size of a rea to that of a silver half-dollar, I was well nigh in despair. At last I commenced taking S. S. S. In a short time I began to improve in flesh, all the sores healed, and I could feel and know that I was well, and to S. S. S. must the credit be given of my entire restoration to health. I have not taken a dose for over six months, and am as free from sores or blemish as any one."

LOTTIE ROSS, Atlanta, Ga.

"Improved after taking the first bottle of S. S. S.; in two weeks was able to come of S. S. S.; in two weeks was able to come

home, finding the waters were no benefit. W. REID, Newport, Ark. e has not made known a com

RAILROAD POOLING. o the Editor of Tue Ben;

nor to see that the laws are faithfully executed, but he is also silent. Then, under the circumstances, who will enforce the law! A single individual
would be crushed in an attempt
to do it, by these monsters,
who in their late quarrel over the division of the territory appropriated to themselves disclosed the real state of affairs. Nothing but a powerful com-bination dare tackle this monster pool a combination of men directing our schools might do it. Certainly ar-other gubernatorial election will not be allowed to pass without placing a man in the executive chair who will case has just been developed, however, see that the laws are faithfully executed. Congress, however, should facts that are not already known to take hold of the matter and at once the scientific world, still offers numer-Under the present laws the people are powerics, and are compelled to accept just such terms as these unjust, unholy corporations may offer. Iowa's wealth consists mainly in her grain fields, consequently it is the producer who suffers most from this pool. Give us again a granger law in Iowa. The producer not only suffers from the exorbitant demand of the railroads for carriage, but those shipping grain to the Chicago and St. Louis markets have to bear the additional burden of one per ceut shortage, or rather stealpass a law to regulate railroad traffic. have to bear the additional burden of one per cent shortage, or rather stealage, as it is a rule for the elevators to take one per cent; that is, on a car of grain of 500 bushels they take off five bushels. Sometimes they take more, but the average is one per cent. This can be regulated by compelling the railroads to weigh and receipt tor all grain and goods shipped, and compel them to deliver the same quantity retended to be compelled to the same quantity retended to the min the family in the sexton who did the work of opening the grave, was possibly surprised when he reached the coffin to find it as perfect, almost, as on the day when it was so reverently lowered to its restorated and its mighty and must preval! "Trath is mighty and must preval!" No Sophistry can withstand the power of its honest utterance. Dear Sir Feeling deeply grateful for the great benefits which I have received from the use of a very valuable article which has its origin and home in our beautiful city, and hoping that others who are afflicted as I have been may find like res who are aff them to deliver the same quantity re-

The Bad Boy Again Prek's Sun. "When pa and I got to Chicago," said the bad boy, "we walked around town all day and went to the sores, and at night pa was offul tired, and he put me to bed is the tavern and went out to walk around and get rested. I wasn't tired, and I walked around the hotel. I thought pa had gone to the an old maid with a Scotch terrier oc-cupied 212. I saw her twice and she knife and drew the tacks out of the tin thing that the numbers were painted on, and put the old maid's number on our door and our number on her door, and then I went to bed. I tried to keep awake, so as to cash for the body, thelp pa if he had any difficulty, safely disposed of. but I rather guest I get asleep, but woke up when the dog barked. If the dog had not woke me up the woman's scream would, and if that hadn't pa would. You see, pa came home from the theatre about twelve, at the numbers on the doors all along the hall till he found 210, and walked right in and pulled off his coat and threw it on the lounge where the dog was. The old maid was saleep, but the dog barked and pa said, 'That cussed boy has bought a dog!' and he kicked the dog and the old maid woke up and said, 'What is the matter, pet!' Pa laffed and said, 'Nothin' the max zer with me, pat, and then you ought to have heard the yelling. The old maid covered her head and kicked and yelled, and the dog snarled and bit pa on the pants, and pa had his vest off and his suspenders unbuttoned, and he got scared and took his cost and went out in the hall, and I opened the

to be quiet and they would find the burglar. Pa was so scared that he sweat The writer was not aware until now like everything, and the bed was offul that there was a law to prevent rail. warm, and he pretended to go to sleep, but he was wondering how he could get his hat back. In the mornis such a law, and one that is ample ingil told him it would be hard work in its provision, if enforced, to break to explain it to ma how he happened up and destroy this monster evil. It to get into the wrang room, and he is known to every shipper and business man of Council Bleffs that the five trunk lines called the pool lines, centering here, pool and divide their the change if I would not mention it to have and I got him one earnings, and it is well known, and can without any difficulty be proven, that this pool has existed ever since the enactment of this law, which prothat this pool has existed ever since the enactment of this law, which privides a penakty of \$5,000 a month against each road violating it, and as there are now five roads in the pool the penalty would amount to \$25,000 a month, or \$320,000 a year Now we have a ratiread commission whose done it should be to look after this duty it should be to look after this matter, but it seems they are ailent.

Again, it is the duty of the gover-

composed ere the preserving process and nervous prestration. had begun. Both the feet were gone. Faint lines here and there indicated where the grave clothes had been. The

heavy inner-lining of the casket still remained, although lapse of time had loosened it from its fastenings. The body was black, except in one or two places. There it had scaled some-what, and presented the appearance of what, and presented the appearance of the beautiful that beautiful the constitution what, and presented the appearance of the constitution what, and presented the appearance of the constitution when it has became debilitated. Huxx's lixed the constitution when it has became debilitated. wet plaster of Paris. Not the least odor was apparent. The form looked to be as solid as stone, but an examination developed the fact that it was of the consistency of wax and easily penetrated with the finger. "A body which has undergone this conversion," says the American En-cyclopedia, "may be afterward pre-served for an Indefinite period of time

without changing materially its form or appearance." The conditions nec-essary to produce the change are that the body must be buried in a moist place, "and one," says the author quoted above, "in which the water collects in considerable quantities and remains standing on or about the level of the coffin without being rapidly changed." The first notable instance of the kind was revealed with the disinterment of the bodies from theater and that made me mad, and I the Cemetery of the Innocents, in thought I would play him for all I Paris. in 1787, and again in the rewas worth. Our room was 210, and the next room was 212, and there was an old maid with a Scotch terrier ocin 1849. The soil in which Mrs. called me names, cause she thought I Leitch was buried was red clay, unwanted to steal her dog. That made me mad at her, and so I took my jack-propitious for the process performed. propitious for the process performed.

The case became noised abroad in Dupont, and Mr. Lietch has been the recipient of numerous letters from persons of a speculative turn in mind. One even went so far as to offer \$500 cash for the body, which has now been

Detectives and Private Officers Usually wear their badges of authorfty concealed under their clothing, but Dr. Thomas' Eclectric Oil wears its badges in the form of printed labels attached to each and every bottle, so that all may know its and he had been drinking. He says mission. It is given full and complete everybody drinks when they go to Chlcago, even the minister. Pa looked does its duty every time.
