In thus gathering in the business which ought to be tributary to Council Bluffs, all must concede that THE BEE is an invaluable help, of which every business man should avail himself. Besides its large local circulation is finds its way into almost every west, north and south, where its com-

petitors are almost unheard of. The wide awake and enterprising business men and manufacturers of Council Bluffs need but little more than a reminder of THE BEE'S extensive circulation to cause them to realize that by no other advertising medium can they so readily reach the trade which they are seeking.
