Orders from the country should be accompanied with money, postoffice order or draft. If you desire a complete price list of our stock, write to us and we will remit same by return mail. Any in- within formation as to our reputation, write to any banking or business Respectfully, house in Omaha.

others want judgeships, collectorships or marshalships. They have forgotжr 15..... gotten all their patronage promises to ull Cream, per lb their constituents and are concentrating all the influence at their com-..... mand on the gentleman whom diasat Bach..... sfied New York stalwarts are beginning to call "that priss ox in the white h.... house" for their own benefit. Forta-**************** nately the president is not moved by r such things. se & Blackwoll's They tell me that President Arthur ni oor b per 1..... s troubled with an impression that he will not leave the white house ls, 6 to 1b pr 1b... alive. I have heard this in two or an lis, per D bie Va illa, per D le Vatila, per D three quarters, and therefore begin to believe that it has some foundation. I: is said that he considers the white house ill-omened, and it was with great reluctance he returned to it af-43 .ans..... ter having been at the Soldiers' Home 0 fe ot cottage. The death of Minister Al-............. ----len on New Year's day did not do much to remove the president's im pression. He was profoundly affected by it, and has by no means recovered ******************* from its effects. He wept copiously at the time, and he has been noticeably sad ever since. It is true that the president is under the influence of such an impression, it is not so sur ************* prising as it seems. Men as strong and as sensible have had similar im-................ pt botties..... pressions, and have suffered as much *********** and more because of them. They are of the things 'twixt heaven and ************** earth that are not dreamt of in our everyday philosophy. No one would suppose the White House to be Lea & Perkins, pts to ea & Perke, § pt) 85 particularly unlucky. Neither Lin-coln nor Garfield, the only presidents, who have died violent deaths, was sed on y to describe the wounded there, and neither of them (imported.) per 15...... \$ 40 died there. Still these subtle impressions are unaccountable, and it is not worth while to reason about them. As a bright little girl said the other night. in speaking of this current report: I were president and didn't like the rior por th 1 00 White House I'd say so, and go back to the Soldlers' Home." It is just 1 00 possible, of course, that Dams Rumor is mistaken about the president's im-pressions. There is one young man in Wash cent Tos is the market, ington who has the sincere respect as well as regard of all the old silver-

and sometimes he wants an office in a

mission, and others have their long-

ing eyes fixed upon consulates. Still

There were two receptions given at and scal of office this 30th day of December, 1882. Clarendon hotel yesterday; one by ex-Governor Hoffman, the other by Mme. Modjesks. A brass band BRAL ! played for the Hoffman guests, while Mme. Modjeska's were entertained by a smaller and more select number of performers Governor Hoffman's reception was given to his new-married TAILOR, daughter, Mrs. Sanford. A number of the guests who stopped at the Hoffman reception on the first floor, passed my new goods. up to the second to Mme. Modjeska's 1287 Farnam Street. merry making. Under the management of Mr. Kalish.
