COOL L. T. FOSTER.
[Youngstown, Ohio, May 14, 1888.]
Dr. B. J. Kendall & Co., I had so very valuable Hamiltonian colic that I tried very highly, but it was of no avail. In one hour I had a small one on the other which made him very lame; I had him under the charge of two veterinarians, but they failed to cure him. I was out by reading the advertisement of Kendall's Spanish Cure in the Chicago Express, I determined to try it and got our carriage over to the store and used it according to directions and the fourth day the colic ceased to be lame and the horse was completely cured. I used but one bottle and the colic is the size as from of lungs and as much as any horse in the state. He is entirely cured. The cure was so remarkable that I have written two of my neighbors have the remaining two bottles who are not using it.

Send for illustrated circular giving complete price. Place it. All druggists have it or call for it. Dr. B. J. Kendall & Co., Frisco, Kansas, Birmingham, Va.
