REMARKABLE!

KANSAS CITY, MO., Sept. 20, 1882. I think it a duty to humanity to say that your remedy has done for me. One year ago I contracted a bad case of Rheumatism, not knowing the result of such troubles, I allowed it to run its course. Finally I had to the best of my ability, but finally I had to give up. In that time I took over 600 pills of proteaceous or such, and had run down in weight from 210 to 117 lbs, and was confined to my bed with Mercurial Rheumatism, scarcely able to turn myself over. Being a traveling man, some of the fraternity found me in this state, and recommended me to try your S. S. S. I tried it, and was cured by its use. I recommend the use of it to every one who is afflicted with Rheumatism, or who is unable to take any other medicine, and in my weight it is 217 pounds, being more than it ever was. I do not wish you to publish my name, but you may show this letter to any who doubt the merit of S. S. S. for I know it is a sure cure.

Yours Truly, J. H. B. Since thirty years ago there lived in Montgomery, Ala., a young man who was terribly afflicted. He had been fed for a long time by the medical profession of this town with no benefit, he commenced taking S. S. S. After persistently taking it two months he was cured. He is acquainted with his case for the disease never made its return. J. W. Bester, J. D., Hot Springs Ark.

Fecued from the Jaws of Death.

VERDICT OF THOUSANDS. Mr. R. Tarda, of Milton, Penn., writes, Nov. 16, 1882—

"Enclosed please find postal order for five dollars and twenty-five cents, for half a dozen bottles of Hunt's Remedy. I keep a grocery here, and can sell more of your medicine than any drug store, as I recommend it to all afflicted with Kidney Disease or Dropsy. I tell them, that if they have life enough to swallow it, it will raise them from the dead for a fact; for it did raise me from that slumbering sleep, and although this was over three years ago, I have had no Kidney trouble since. Like the woman in Scripture, I had recourse to many physicians, and grew nothing better, but ever worse. But thanks to Hunt's Remedy, I am raised as one from the dead."

The Most Sceptical Convinced. Thousands feel a thrill of joy whenever they gaze upon the magical words, "Hunt's Remedy," for it is the best Kidney and liver medicine ever known, and it recalls to memory the blessing it has proved to them. It is a positive remedy for all diseases of the Kidneys, Bladder and Urinary organs. The proprietors' names should be written in letters of gold, for few men have done so much for their suffering fellow beings. One trial will convince the most sceptical, causing them to proclaim to all their friends the many virtues of this great medicine. The demand increases as it becomes known, and where it is best known the sales are the largest. As Mrs. B. Brown says, "Great is he who uses his greatness for all." This is what the proprietors of Hunt's Remedy do. Their great medicine is for all.

Tama City asks \$300 license for the saloons, and they have refused to pay it. They will keep running, however.
