OMAHA MARKETS.

Wholesale Prices.

OFFICE OF THE OMAHA BEE,
Saturday Evening, February 24.

The wholesale trade of the city for the past week was reported as moderate in most lines, being mostly on mail order account, and a more restricted feeling prevails than usual at this season. Nothing new was developed in dry goods, clothing, millinery, boots and shoes, etc. Trade remains quiet, with prices nominally steady. The grocery market showed some animation; quite an active demand existed for such staples as sugar, coffee, rice, fish and cut meats, at advanced quotations. Business in the produce line was fairly active under the influence of milder weather, bringing forward considerable stuff that could not be handled during the cold weather. We note the arrival of Bermuda tomatoes. This is the earliest they ever made their appearance in this market. They sold at $2 00 per box. The movement in potatoes was quite general, both on local and shipping account, and prices obtained were fully up to quotations. In apples we note a good inquiry for local consumption, as the stocks laid in for winter are nearly exhausted. No change in prices—only a better demand. The egg market has been very limited, and 40 cents was the prevailing price until yesterday, when they dropped to 35 cents. Should open weather continue, prices will decline rapidly. Butter continues very dull, and lower prices prevail; no shipping demand, and but limited local inquiry. There was a good trade in fresh fish and oysters, on account of the Lenten season, still the demand for oysters is on the decline. Receipts of poultry continue light; there is so little coming in that a change in quotations cannot be made. Oranges and lemons are moving quite briskly, owing to the very low prices. Of course the demand for lemons is not what it will be, but a fair demand noted for the season. Game of all kinds is about of market, and not quotable. There is still a good local demand for celery, but must soon cease. The flour market has taken quite an upward tendency, in sympathy with wheat, especially among the leading brands, which are held at an advance of 25@50 cents per 100 lbs. Bran is scarce at $14 per ton in car lots. The total number of hogs received during the week was 75 cars, packers paying $6 45 for good.

The only changes reported in the market to-day are as follows: Carbon oil declined ½c; linseed oil advanced 1c; Omaha white lead declined ½c.

Woman's True Friend.

A friend in need is a friend indeed. This none can deny, especially when assistance is rendered when one is sorely afflicted with disease, more particularly those complaints and weaknesses so common to our female population. Every woman should know that Electric Bitters are woman's true friend, and will positively restore her to health, even when all other remedies fail. A single trial always proves our assertion. They are pleasant to the taste, and only cost fifty cents a bottle. Sold by C. F. Goodman.

Money for the Unmarried.

One of the most solid and substantial institutions in this country is the Marriage Fund and Mutual Trust Association, of Cedar Rapids, Iowa. They are organized under the laws of Iowa, and their officers and directors are among the leading and most prominent business men of Cedar Rapids. Every unmarried person should have a certificate in this association.

It is a splendid investment, as safe as a government bond. You can just as well have a good sum of money to commence married life on as not. A large number of members have been paid off, receiving over 300 per cent on their investment. Write for circulars fully detailing the plan, which is the finest known. Do not postpone it. Good agents wanted. Mention where you saw this notice. 15-3m.
