The parties will be arrested this morning and brought before Justice Abbott for trial.

-A peculiar case coming from Warwith Post, No. 36, lacated at Dexter, this state. A person claims he was a member of Co. E, 15th Iowa, was never mustered in, drew pay or received a discharge but was transferred to the chinch-bug militia. Now the Post asks the Judge Advocate, E. J. Abbott, of this city, to decide whether the party has a right to become a member of the G. A. R. -One of the trusted employes in the Wabash yards, and a man who is the very soul of honor, and who has a spouse in whom he had the same confidence he had in the Master of heaven almost, was known to be receiving the attentions (whether criminal or taffyal no one know) of several other men. These facts were J K Regnold known, and some good wholesome advice given the erring spouse, before the husband, who was a "night man," had tumbled to her racket. But with a recklessnessness born of a seemingly natural depravity, she continued to disregard the advice of those who tried to influence her on Alex Young account of the genuine respect they felt Day Dunning for the man whom they knew to be a con- Wm McLian sistent and straight man, and one also H Gentle who provided from his ample salary for her every home comfort. At another time he met his faithless spouse at eleven o'clock at night on a by street, with one of the parties aforesaid. Money for the Unmayried.

One of the most solid and substratial institutions in this country is the Marriage Fund and Mutual Trust Association, of Cedar Rapids, Iowa. They are organized and gone for assistance. The result was a superation, and yesterday morning the faithless woman left Council Bluffs for some point unknown to the writer, and the man was almost distracted at the finale of what he hoped would prove a happy life. We have a laways noticed that you married men can get "night jobs" very readily, and we trust that the coming divorce suit will bring no new features of a scandalous nature to the tront.

Cur New Loan Buy amprovement Co Investigation into the matter convinces us that one of the most equitable, reasonable and feasible plans of building houses is that proposed and in operation by the Mercantile Loan, Trust and Improvement company of N. W. R. R. vs. the incorporated town of Manning et al., in which a motion to dissolve an injunction was argued and submitted to the court business men, it becomes possible and comparatively easy for a man of mod erate means to secure a comfortable home for himself and family. In taking a certain number of shares, at a certain monthly payment, in a few years a man can own a house of his own for about the sams as he pays monthly for rent. We believe the Mercantile Loan and Trust company, by organizing and opening up for business, having filled a long felt want in Council Bluffs. Their plans and system of loans will bear the most careful scrutiny and examination, and we have no hesitancy in pronouncing them reasonable and equitable, and backed by gentlemen of honor and integrity. As the com pany exists it becomes at once an institution of value and credit to our city and those who desire homes. Their president is T. A. Kirkland, vice president, Judge Peake; secretary, I. R. Beerv; treasurer, Col. Beebe, and their office is in the basement of Shugart's and McMahon's
