Fighting Wall Street

The danger that usually overtakes Wall-street men, and the reason why so many prominent ones come to grief, is success, which after a while makes them feel able to undertake any and everything, however great.

"I was born in Missouri, and while a mere lad I served with the 'southern boys' and did what any little chap in his teens could do to aid the Confederacy, believing, as I then did, that the path of honor and independence pointed that way.

"I have also worked upon a great number of the leading papers of the union, both weekly and daily, in some of the different departments.

"He tried it in the gold market. He figured up with remarkable minuteness that greenbacks and gold should be separated by just 29 7/8 per cent. premium and no more, and to maintain this theory he ordered the government treasury to sell all the gold the market would take at 130 whenever it reached that point.

Rejoice, rejoice, "He is alive Again."

Under date of July 9, 1882, Mr. E. B. Bright of Windsor Locks Conn., writes a plain modest narrative, which, from its very simplicity, has the true ring of fine gold. He says:—"My father is using Hunt's Remedy and seems to be improving, in fact, he is very much better than he has been for a long time. He had been tapped three times. The first time they got from him sixteen quarts of water, the second time thirteen quarts, and fully as much more the third time, and he would constantly fill up again every time after he had been tapped, until he commenced using Hunt's Remedy, which acted like magic in his case, as he began to improve at once, and now his watery accumulation passes away through the secretions naturally, and he has none of that swelling or filling up which was so frequent before the use of Hunt's Remedy. He is a well-known citizen of this place and has always been in business here."

Again he writes, Nov. 27, 1882.—"I beg most cheerfully and truthfully to state, in regard to Hunt's Remedy, that its use was the saving of my father's life. I spoke to you in my previous letter in regard to his being tapped three times. It is the most remarkable case that has ever been heard of in this section. For a man of his age (sixty years) it is a most remarkable cure. He had been unable to stand on his business more than a year, and was given up by the doctors."

"The first bottle of Hunt's Remedy that he used gave instant relief. He has used in all seven bottles, and continues to use it whenever he feels drowsy or unwell, and it affords instant relief. He is now attending to his regular business, and has been several months. I am perfectly willing that you should publish this letter, as we thoroughly believe that father's life was saved by using Hunt's Remedy; and these facts given above may be a benefit to others suffering in like manner from disease or inaction of the Kidneys and Liver."

"We notice the Marriage Fund, Mutual Trust Association, of Cedar Rapids, Iowa, highly spoken of in many of the leading papers of the state. "Money for the Unmarried" heads their advertisement in another column of this paper. 75-2m

COL. L. T. FOSTER.

Youngstown, Ohio, May 10, 1884. "Dr. H. R. Kneass & Co. I had a very valuable Hamamelis oil that I used very highly, he had a large bone spavin on one joint and a small one on the other, which he made him very lame; I had him under the charge of two veterinary surgeons which failed to cure him. I was one day reading the advertisement of Kneass' Hamamelis Oil in the Chicago Express. I determined at once to try it and got our crutches here to send for it, and they ordered three bottles; I took all and I thought I would give it a thorough trial. I used it according to directions and the fourth day the oil ceased to be lame and the lumps have disappeared. I used but one bottle and the oil's limbs are as free of lumps and it smoothes as any horse in the stable. He is entirely cured. The cure was so remarkable that I have told two of my neighbors have the remaining two bottles who are now using it."
