**WYOMING.**  
 Sweetwater county has not a single criminal, and the county jail is without an occupant.

The hotels of Cheyenne are crowded with people who are visiting the territory with the intention of settling.  
 The total enrollment of scholars in the public schools of Laramie City numbers 443. For the size of the town this is considered a very creditable showing.

The Union Pacific railroad yard at Cheyenne will be considerably improved this spring and enlarged so as to afford proper facilities for freight purposes.  
 A new hotel will be built in Cheyenne this year by F. E. Warren, a resident of the city. It will be a first class structure occupying a lot 110x132 feet and will have all the modern improvements.

The stock growers association meeting in Cheyenne last week was a very successful one and largely attended by the principal ranch owners of the western country. Favorable reports were received from all sources as to the condition of stock in the territory. A number of protective and beneficial laws were passed, and the meeting adjourned until next year.

**DAKOTA.**  
 Grand Forks has a female carriage painter who does her work in the most artistic style.  
 The outlook for a railroad from Pembina to Fargo along the west bank of the Red river is very encouraging.  
 A great deal of malarial fever is prevailing throughout Union county, more in fact than at any other time in its history.

Three prisoners in the Huron jail, charged with robbery, escaped last Saturday night. They were aided by outside parties.  
 The ladies of Jamestown have determined to have a rooming house in that town and are raising the necessary funds to open it.  
 Last week a fire occurred at Yankton which destroyed a row of wooden buildings on Third street, valued at \$25,000. The origin of the fire is unknown.

The First National Bank officials of Huron have notified that four land offices in Dakota will be ordered to deposit at their bank. The offices are those at Mitchell, Watertown, Aberdeen and Huron.

**UTAH.**  
 The mine of Bingham are looking up again and there is a good demand for all the ore produced.  
 A large number of persons are visiting Salt Lake with a view to business; hence the demand for store rooms is far beyond the supply.  
 The Moulton smelter at Salt Lake City, has 1,000 tons of 840 ore on the milldumps, and enough ore exposed in the mine to last the mill running a year.

Prospectors are arriving in Salt Lake from Idaho, with the prospect of ore from new discoveries. When the boys have anything good they bring it to Salt Lake.  
 The manufacture of white lead pipe by the Germans works at Salt Lake, has already stopped the shipment of refined lead and base bullion to California by that company.

**MONTANA.**  
 A seven-story flour mill will soon be built at Bozeman.  
 Gen. Sherman, Chief Justice White and Justice Gray are expected to visit Montana the coming summer.  
 The whistle of the locomotive was heard for the first time in Bozeman on Wednesday, March 14th, when the Northern Pacific was completed to that place.

The Spanish Smelting Company at Barker secured fire brick for lining the furnace by purchasing one of the chimneys of the Chicago Iron Works in Lenton, which was built of that material.  
 Four hundred lodges of Sioux are camped on Grand river, east of the Cave Hills. Buffalo are said to be plenty down that way. Over 15,000 have been killed east of the Yellowstone the past season.

The sale of lots in the new town of Livingston for the month of January, are said to have numbered 110, and the amount received for them \$2,350. For the month of February 107 lots were sold for \$54,669.  
 The Helena city council has taken steps towards having lithographed the city corporation bonds of the denomination of \$500, in conformity with the provisions of an act of the Legislature approved February 27, 1883, and advises a sale of \$10,000 of said bonds on June 1st.

It is estimated that Montana's increase in the quantity of wool produced for the next six years will be greater proportionately than has that of Texas in the six years past, which was from 6,000,000 pounds for the first year to the six to 33,000,000 pounds for the last.  
 A new mud geyser has been discovered on the head waters of Peilian creek, two miles east of the Yellowstone falls. It is surrounded by a dense and unbroken stretch of wheat fields, which never in any extent or promise approached the present hopeful condition.

The authorities of Corvallis have passed an ordinance prohibiting the sale of target guns, air-guns or firearms of any kind to minors under 16 and making it a misdemeanor for any minor to be found with any weapons in his possession.

**CALIFORNIA.**  
 The Orland Hotel, at Orland, together with an adjoining building, were burned recently.  
 Chinamen are at work on the Eel river falls, Humboldt county, grading for the Eel River railroad.  
 The saw mills in Macedonia county received most of their logs during the freshet caused by the late rains.  
 John McArone, aged about 24 years, was killed last Thursday night while at work in the shaft of the Alaska mine at Pike City, Sierra county.  
 Waco county farmers, who were troubled with grasshoppers last year, for a visit from them again. Large quantities of their eggs are being found on the prairie.

**NEVADA.**  
 Of the Comstock mines listed at the San Francisco stock exchange, there have been paid in assessments \$71,293,478 to date. The total dividends declared by the mines aggregate \$116,887,100.  
 The snowfall on the Sierra Nevada mountains during the past few days was so heavy that snow plows are kept running day and night to keep the railroad track open. The snow is two feet on the level.  
 Another Albion mining company has manifested itself in the report of the financial difficulties of the Star mining company. The company's liabilities amount to something like \$100,000, some \$2,000 of which is due the miners.

T. L. Moran, superintendent of the District mining company, in Pittsburg, district, east of Battle mount, in that company are preparing to erect a new ten-story mill on the mine, which is designed to a depth of 300 feet and show good ore to the bottom.  
 Suit was commenced in White Pine county against the bondsmen of George McConkey, the treasurer who was found guilty of embezzling \$100,000 worth of dollars in McConkey's accounts and the action is brought to recover this shortage.

**WASHINGTON.**  
 Oress island has sixty inhabitants, three schools and three post offices.  
 There is a great rush for public lands at the land office in Olympia.  
 D. y. n has an extensive Chinese hospital, which is well patronized by sick and injured pagans.  
 Seattle is agitating the question of the establishment of an immigration bureau for Washington Territory at that place.

An Indian logger, while at work near Tacoma last week, found a box containing five silver dollars and a large evidently being buried for several years.  
**NEW MEXICO.**  
 A Grand Army post is to be established at Albuquerque.  
 An incendiary fire at Albuquerque last week destroyed some of the Atlantic and Pacific railroad shops.

William Johnson, a negro cook at Deming, shot Joe Eakin in the arm and breast, Eakin got a Winchester rifle, and returning, shot Johnson dead.  
 Arthur Hoyle of New Mexico claims to have discovered a Pueblo Indian at Algodones, who, himself over 100 years old, is earning his own living working at a loom over 20 years old.  
 Jim Kinney, leader of all the New Mexico rustlers, and the man who has proven such a terror to the cattle interests of the territory, is about 32 years of age, five feet seven inches in height, stout rather bloated, weighs 165 pounds, dark complexion, light brown hair, blue eyes, full round face and light mustache. He is a braggart, talks loud, drinks hard, lacks prudence, has killed two men, brag of killing others, is bold, but lacks nerve. He is believed to be an Irihman.

**MISCELLANEOUS.**  
 A strange fact about the Snake river in Idaho is that a body covered in its waters is never seen or heard of again.  
 The young ladies of the broom brigade in Denver are having a real war, only of words, however. Jealousy was the cause.  
 The Colorado Jewelry company is the largest of the kind in the west, and is believed that the tracklayers will be delayed there to await the completion of the bridge.

**EDUCATIONAL NOTES.**  
 New York schools have a regular fire drill.  
 The London School Board has appointed a committee to consider the introduction of technical education in elementary schools.  
 The once famous William and Mary college at Williamsburg, Virginia, the alma mater of Jefferson, Marshall, Monroe and Randolph, had only one student last year, and is now closed.  
 A. E. Kent, of San Francisco, a member of the Yale class of '53, has given the college \$60,000. The faculty has decided to use the money in erecting a chemical building, the best composition, besides learning geography and history quicker.

The new compulsory education law of Rhode Island requires that every child between the ages of 7 and 15 years shall in every week of schooling each year. No child under 12 is to be allowed to work in any manufactory, and no one under 14 who cannot write his name, age, and place of residence, or read some part of the state constitution.  
 A writer in The Boston Herald sharply criticizes the present common school system of that city, which he calls the "new denture." Under the order of things he says, the spelling book and mental arithmetic were banished from the schools. All ranking by per cent and classification was ignored and virtually abolished. The practice which the most distinguished teachers, in all time, have found most essential, under judicious arrangement, to intellectual growth and successful scholarship in research.

An examination of the young children of the public schools at Boston, made by Dr. Stanley Hall, showed that 18 per cent of the number had no knowledge of the cow, further than that gained from pictures; 61 per cent of those examined had never seen corn growing; 50 per cent did not know where their shoes were nor exactly what they were, while only six per cent were ignorant of the location of their stomachs. Some of the children stated that they came from the green who get it directly from God; others said that meat was dug from the ground or picked up from the meat tree. From these Dr. Hall deduced two other facts—the ignorance of practical things may exist side by side with a very thorough book knowledge, and that some modification of the instruction of the young.

**SINGULARITIES.**  
 A Georgia darkey boy 8 years of age has a full beard.  
 A six legged lamb is one of the curiosities of Shenandoah county, Virginia.  
 A girl baby, whose hair at birth, reached below her waist, is the latest Mormon freak of nature.  
 The windows of houses in the Philippine Isles are made of pellicid oyster shells, which admit light, but cannot be seen through.  
 A single book in the Earl of Ashburnham's library known as the "Albini Missal," an illuminated ancient MS., has been valued at \$50,000.  
 A blind man who has been an inmate of the Poorhouse in Wethersfield, Conn., for over fifty years, can repeat every sermon that he hears almost word for word.  
 It is mentioned as an interesting detail of the recent grand costume ball at Berlin that 10,200 wax candles, or 1700 pounds of wax, were burned in the various chandeliers throughout the castle.  
 Mrs. Bowers is three feet high. She lives in California with her husband and four daughters, all of whom are ordinary in size. At table she sits in a high chair. But she is a right disciplinarian, and the children submit to being whipped by her.

\*Ten years ago the name of Lydia E. Pinkham was scarcely known outside of her native state. To-day it is a household word all over the continent and many who read the secular and religious journals have become familiar with the face that shines on them with a modest confidence, in which we read the truth that "Nothing ill can dwell in such a temple."

**Money for the Unmarried.**  
 One of the most solid and substantial institutions in this country is the Marriage Fund and Mutual Trust Association, of Cedar Rapids, Iowa. They are organized under the laws of Iowa, and their officers and directors are among the leading and most prominent business men of Cedar Rapids. Every unmarried person should have a certificate in this association.  
 It is a splendid investment, as safe as government bond. You can just as well have a goodly amount of money to commence married life on as not. A large number of members have been paid off, receiving over 300 per cent on their investment. Write for circulars fully detailing the plan, which is the finest known. Do not postpone it. Good agents wanted. Mention where you saw this notice. 15-3m.
