THEY WON'T STAND IT.

Indignant Citizens Will Not Submit to Giving Up Union Avenue for Railway Purpose. Many citizens who have had their attention directed to the proposed giving up of Union avenue to the Union Pacific for railway purposes, are growing more and more strongly set against the scheme.

One solitary citizen was yesterday heard to give as a reason for favoring the scheme that the street car line was such a monopoly. The query was put to him as to which was the greater monopoly, that of the Union Pacific or the street car line.

CHANGING THE CONSTELLATION.

The Police Force Undergoing a Reorganization, But Not Without Some Trouble. Some changes in the police force have been contemplated for some time, and there has seemed to become reason for bringing about more of effectiveness in this branch of the city government.

Slade's Bites.

Dr. Slade, the well known medium, who is stepping at the Ogden house and who is to lecture in this city tomorrow afternoon and evening, yesterday invited one of THE BEE representatives to his room at the hotel, and there gave some manifestations of his peculiar powers. Among these was as fine a showing of slate writing as could be possibly be asked for. The unbeliever could detect no trickery or contrivances, and had to let the phenomena gave without any explanation on his part beyond theory and conjecture. The table and slates, pencils, etc., were closely inspected, and yet when the slate was placed under the table the sound of the moving pencil could be heard and there appeared written communications and answers to queries propounded. There was other manifestations difficult to explain such as strange sounds, chains lifted by unseen hands, etc. In fact the manifestations and phenomena on whatever theory to be explained, was decidedly strange and mysteriously interesting.

It is more economical to buy BRAY'S SLATE DRESSING than it is to make a dressing, besides this, it is made of better materials than you can buy at the stores. Everybody likes it.

Battling for a Baby.

There are all sorts of causes for rows in this world, but among the latest here is a baby, the possession of which has caused trouble between Mrs. Helen Swithorn and Mary Goldinger. The baby in question was left by the mother, when she recently went away from this city. Each of the women named claims that the babe was given to her, and from words they came to blows. Mrs. Swithorn went before Justice Schurz and filed a complaint against the Goldinger woman, charging her with assault. The latter retains possession of the babe, and on next Wednesday will get a chance to tell her side of the story before the court.

Doing a Great Deal of Good.

Mrs. J. Berry, of Portland, Me., writes: Your HENRY'S CARBOLIC SALVE is doing a great deal of good. Some of my friends have been greatly benefited by its use. I think it is the best salve I have ever used. Beware of counterfeits.

Warning to Crooks.

The following official notice is given for the benefit of confidence men who are hanging about the city: OFFICIAL NOTICE. The city of Council Bluffs having again become infested with confidence men, and others of like character and business, they are hereby notified to leave the city at once, under penalty of being arrested under the vagrancy act. By order of the mayor. H. H. FIELD, Chief of Police. All this is well enough, but it would be a still better move to juggle the fellows without extending the courtesy of a notice to leave. The fellows are known, and such as have been here time and again should be taken up promptly and without delay. They care little for threats and newspaper notices in comparison with the grim hand of the law itself, and even that they seem to have too little reverence for. Time or space should not be wasted on invitations to leave, but let the officers pull them in on sight, and show them up at least.

Useless Fright.

To worry about any Liver, Kidney or Urinary Trouble, especially Bright's Disease or Diabetes, as Hop Bitters never fails to cure where a cure is possible. We know this. The Maverick National Bank of Boston draws foreign exchange, buys and sells Government and other investment securities, and transacts any business for its correspondents in the line of banking. m&h-me

In the superior court, yesterday.

Justice Schurz sat in place of Judge Ayresworth, who has gone to Dakota. The case in which Judge Bond complained of John Green for letting a cow run at large, came up on a side issue. The case having been dismissed at Judge Bond's request, Captain Price, who appeared as attorney for the defendant, made a motion to have the costs taxed up to Judge Bond, instead of leaving the city pay them. Judge Bond objected, but the court sustained the motion and charged up about \$19 to Bond's account. There was a lively war of words between Bond and Price, in which a great many sharp cuts and thrusts were made, much to the entertainment of the listeners. The contest ended without gore, however, both gentlemen feeling better after relieving their minds.

A friend to the rich and poor.

A medicine that strengthens and heals, is Brown's Iron Bitters.

BALKED BURGLARS.

They Work at Both Ends and Get Into Neither.

An attempt was made to burglarize the residence of B. F. Lankton, on Seventh street, Wednesday night. Some of the family were awakened by peculiar noises, and one fellow was discovered working on the lock of the front door with a wire or skeleton key, and another burglar was found to be working to secure an entrance at the rear of the house. The fellows, probably hearing the movements inside the house, hastily decamped, securing nothing for their trouble.

Bliss in the Field.

Yesterday we had the pleasure of glancing at the new stock of millinery and fancy goods just put in place at Blise's well known fashion emporium. The entire stock is new and embracing, as it does, not only the latest and best from the New York market, but a greater variety and larger quantities than were ever before displayed
