High License in Iowa.

debolt Letter Sioux City Journal. The final decision of the supreme standing. The republican state platform for 1883 must give forth no uncertain

ming has gone by. What shall we do with it? On the solution of this problem depends, perhaps, the supremacy of republicanism in Iowa. The ultra-fanatical members scene for one of his operar, he arrayed of the prohibition wing, with a blind frenzy born of stupidity, have served notice on the party of their intention wished to compose stirring, class the pressure of the prohibition wing, with a blind himself in a blue silk suit, white slippers, and an eau-de cologne bath. When he wished to compose stirring, class the state and county government to the prohibition wing, with a blind himself in a blue silk suit, white slippers, and immediately came to San Franchical members and immediately ca to place a "temperance" ticket in warlike music, he dressed himself to nomination-thereby paving the way look like a cross between a dime novel for the democracy—unless the repub-lican state convention takes strong sges, armed with a pair of dinnerlican state convention takes strong sees, armed with a pair of didner as he arrived here he was entitled as he arrived here he head dering for the collection.

That office he held during four that office he held during four the republican ticket at the throw the cornet player into epileptic not because they were in favor of a ment. Some people are inclined to prohibitory law. It is a grave error consider this to have been mere folly to imagine that the republican vote of and affectation. It was not so. last fall was the actual prohibition Thinking men and professional writers

strength. Had prohibition been a part of the republican platform, the democrats would have been swept into power by the aid of thirty thousand boiters. The "personal liberty" members of the republican party were not carried away to a man by the German defection. Many are still loyal; and if wise counsels prevail there is no danger of alienating their support.

Prohibition may or may not be a success in Maine or in Kansas. The defeat of St. John would seem to indicate that the people of the latter state regard it as a failure. But aside from the republican party were in thousand party were in the common to the support of the republican party were not carried away to a man by the German defection. Many are still loyal; and if will be quite common to the common to the prohibition may or may not be a success in Maine or in Kansas. The defeat of St. John would seem to indicate that the people of the latter state regard it as a failure. But aside from the residual minimum the professional writers know that there is a great deal in the was almost the only man in San Francisco who could quell a disturbance. The almost the only man in San Francisco who could quell a disturbance. The anecdotes of the many serious broils affected very seriously my heart I common to the could quell a disturbance. COL. JACK HAYS.

The Famous "Fexas Ranger" Crosses the Range

an Francisco Call, April 22.

Death called away yesterday one of There are two principal parts in the Colonel John Coffee Hays. Colonel operation of transplanting trees, namely: 1, digging them up, and 2, setting them out again. If both are well performed the trees will live and flourish; if either is badly done they may or may not live. There is no read to look a tree to the trees are trees are to the trees are trees are to the trees are tre flourish; if either is badly done they may or may not live. There is no need in losing a tree in tea thousand; many think they are quite successful if they do not lose one in fifty. A neighbor, who understands his business, procured one spring seventeen personal courage at all times and under ness, procured one spring seventeen personal courage at all times and under hundred pear trees, standards and all circumstances, no matter what the dwarfs, of a careful nurseryman emergency might be, he gained his who was always particular to give greatest reputation, though many good roots. He lost five in the 1,700, other circumstances during his eventor one in 340; but this loss was five ful life would make him a conspicuous too many A year or two later he man. He was of small stature, and tried again, and purchased 1,000 slender but wiry; but he was a giant standard pear trees at the same nurin daring. Colonel Hays was a native sery. Every one lived an grew vigor of Wilson county, Tennessee. He was ously—there was not a feeble tree in the new orchard All the trees were good and the work well done throughout. Many trees are lost from too eager a desire to plant out large ones. Such trees have large and long reots, and nearly all these roots are left in the ground in digging them. They are severely checked in growth; they are more court in the now celebrated Daven. in growth; they are more was an independent state from 1835 to port case brings the republican party liable to be worked about in the 1846; at the latter date Texas was adport case brings the republican party of Iowa face to face with the question, What of Prohibition? While few thinking paidered it probable, or even poar hat the court would reverse its former decision, the interim served as a breathing spell before grappling with the question in a political sense. But now the time has arrived when the issue must be fairly and squarely met. It goes without saying that the amendment is as dead as Julius Caesar: for eighteen in a political sense as Julius Caesar: for eighteen in a political sense as a breathing spell before grappling with the question in a political sense. But now the time has arrived when the issue must be fairly and squarely met. It goes without saying that the amendment is as dead as Julius Caesar: for eighteen in the worked about in the ground by the wind, one of the worst things that can happen to a newly-set tree; and they have less power to throw volunteers, but subsequently a regular army, few in number, was organized, and Colonel Hays was placed in common with the question, the interim tree; and they have less power to throw volunteers, but subsequently a regular army, few in number, was organized, and Colonel Hays was placed in common with the question in a political sense. But now the time has a thrifty condition, the mind the quicker it recovers from any check. It needs no extra stiffening against the wind. An apple tree should not be over one or two years from the graft, and such a tree.

At the latter date Texas was admitted into the union. The military force of Texas, at first, consisted of volunteers, but subsequently a regular army, few in number, was organized, and Colonel Hays was placed in common without the union. The military force of Texas, at first, consisted of volunteers, but subsequently a regular army, few in number, was organized, and Colonel Hays was placed in common without the union. The subsequently are graph army force of Texas, the latter date Texas was admitted into the union. The military force of Texas, tree in the provide tre AT THE BATTLE OF MONTEREY

Colonel Hays, by his undaunted valor, particularly distinguished himself. At the battle the Texan troops led the van and bore the brunt of the day. When General Santa Ana surrendered to General Scott, the Mexican commander, then a prisoner of war, was placed in the custody of Colonel Hays.
