St. Louis, Mo., May 4.—The bond of contention in the meeting of the Southern Railway Association, held here last Wednesday, turns out to have been a determination on the part of the St. Louis & San Francisco road to make a lower rate on cattle from their new stock yards at Red Fork, four miles beyond the Arkansas river, in Indian Territory, to St. Louis than has been charged by the Atchafalaya, Topinka and Santa Fe from Hunnerville or Caldwell, Kansas, which have hitherto been the chief shipping points for Texas cattle. The matter remains unsettled.
