Special Dispatches to THE BEE.

NEW YORK, May 5.

Governments unchanged.

The stock market fluctuated to-day. The changes left the general market 1 to 16 lower than last night, the latter for Denver. New York Central 14 lower than last night Union Pacific 4, and the stocks a smaller fraction. Compared with last Saturday the market irregularly changed, some stocks being higher and some lower.

The Evening Post says: Had it not been for weakness in Vanderbilt stocks, consequent upon the resignation of the presidency of the New York Central by Wm. H. Vanderbilt, and his announced retirement from the active management of the road, the market would probably have been strong to-day, as there has been a feeling of growing confidence in regard to crop sales and also that there would be continued peace between the trunk lines.

Mining stocks dull. Sierra Grapes declined from 125 to 100, and Hall Anderson from 14 to 10. Robinson Consolidated sold at 84 to 88; Sonora Consolidated 45 and 46; Chrysotile 100; Consolidated Virginia 51 and 53; Navajo 235; Standard Consolidated 650, and Horn Silver 750 to 738. Sales of the day 38,567 shares. Total for the week 236,936. Bullion sales in New York, for the week from mines, 260,000.
