There were no services at the Baptist church yesterday.

The city council is to meet in regular session this evening.

The Episcopalians have a calloo dress par'y at Dohany's hall to-mor-

the next meeting place of the State Streets and alleys..... Dental association in May, 1884. The funeral services of Mrs. R. N.

Merriam were held Saturday afternoon and were largely attended. The authorities here should take a lesson from these in Omaha in breaking up gangs of confidence men.

Leave to wed ras on Saturday given to J. D. Garaire, of Harlan, and Rosa B. Kleppinger, of Walnut.

The mock trial at which Judge Booth is to preside, is to take place this evening at the Y. M. C. A. rooms,

A rich musical treat is promised at the Presbyterian church next Friday evening, it being an organ concert by H. Clarence Eidy, of Chicago.

The board of health is still issuing orders about cleaning up the city. It seems that enough orders have now been issued, and words should stop and action begin.

The enterprising firm of Connor & Guanella on last Friday shipped a car-load of monuments and headstones for different points on the Rock Island and Milwaukee & St. Paul railways.

J. J. Stewart, one of the best known attorneys of the city has entered into partnership with C. R. Scott, and moved his office into the rooms occupled by the latter opposite the BER

A woman met with a strange acci-dent Saturday night. She entered an markets. outhouse, the floor of which had been taken up for repairs, and fell into the vault, but was luckily rescued without any serious bruises.

There was a very quiet little blaze at the Emmett House Friday night. Not even an alarm was sounded. The fire originated in the wash room, and before the pail brigade had extinguished it, about \$100 damage was

The trouble between Hessel and the boys seems to have been arbitrated, at least temporarily. The charge of the larceny of a bunch of bananas preferred against the boys has been dismissed, and that sgainst Hessel for yesterday. allowing minors to play pool in his place has also been dropped.

A farmer from Crawford county, bearing the well-known name of Daniel Farrell, but evidently not resembling the sheriff of that name in character, has been lodged in jail here because he would not pay a \$19 fine imposed upon him for beating his

Arrangements have been made by the Young Men's Christian Association by which General Howard is to lecture at Dohany's hall next Thursday evening. This will be a good op-portunity for the people of Council Bitfis to hear a profitable and pleasant evening paper.

The board of trade holds a regular meeting this evening. Every member should be in attendance, as by a strong pull, and especially a pull altogether, much can be accomplished for the general welfare and prosperity of and that by a search warrant its hide the city. All should take hold of it was found but not the heaf. When a power felt for good.

means give the birds a chance.

bonds and applications for license, accompanying the same by \$101 50, that being the amount required for the first \$400 license, thus making about sixty an snnual income of \$24,000.

Tom Dorsey, who was arrested here last fall for highway robbery, but who bery of an old man of about \$400. There in this city who had such faith in Tom's purity may now be willing to Rockawitz feels that this is not enough concede that The Bee knew what it concede that THE BEE knew what it satisfaction, however, for being was going when it exposed him as a paraded before the public as a thief, crock through and through.

Rockawitz Proposes to Make Those Smart Who Arrested Him For Larceny.

A short time ago complaint was entered against Charles Rockawitz, a well-known resident of this city, charging him with larceny of a cow belonging to Mrs. Murphy. It was claimed by the prosecution that the cow was slaughtered by Rockawitz was found but not the beef. When in earnest, and make this organization the case came up for trial on Saturday the prosecution cowed down complete-The sign planted in Bayliss' park ly, and the case was dismissed. It announcing a \$5 time for anybody appears from Rockawitz's side of the thowing stones at birds in that enclos-ure, seems not to prevent entirely the Mrs. Murphy's cow was dead in the slaughter of innocents. One dead road, and John Coyle notified him to bird, the victim of some stone-slinger, that effect. Rockawitz, who has a was found there yesterday. By all rendering establishment, and who attends to nearly all such cases Between forty and fifty saloonists here came to the front and filed their bonds and applications for license, acdead in the highway, and which need to be removed, so that instead of comquarter. It is expected that about twenty more will come in under a sanitary service. Mrs. Murphy and one Donahoe seemed to be the leadin all, bringing in from the business claimed to have evidence to prove that he really stole the cow, but on being more closely questioned by the attorlast fall for highway robbery, but who skipped out, was convicted the other day at Jawesville, Wis., for the robsert, and that the real facts were as above stated. Hence the attorneys dropped the case like a hot potato.

THE STUDY OF LIGHTNING.

How It is Made to Serve the Sick and

do away with Aches and Pains.

One of the most interesting estab lishments in the city for any one scientifically inclined to visit, is that of Mrs. Dr. E. J. Harding, of Broad of the reason for the faith that is with In her, without becoming more or less inspired with the belief that she is at work in a field full of thought and of value. She has now almost a bewilderment of machines and appliances of the latest and best improvements, and of every kind and form for giving election ...... here as many here now cheerfully testify, she handles all 19 50 these with the intelligence and experience necessary to secure the most sure 1,121 15 and satisfactory results.

Here are foradic and galvanic batteries, and here is one very ingenious-ly combining both. Here is appliance electro-static machine, one of the latest occurs by bills allowed by previous improvements, by Prof. Taepler, of the Polytechnic school at Dresden. This is indeed a wonderful machine. Respec fully submitted, can prevent its being used satisfactorily for all medicinal purposes. It is so powerful that it sends a flash several inches long, and can be made to proyet with all its power it can be so regulated that it treats with more tender-ness than could any mother's hand the delicate eye of a babe without a twinge
