OSULATION IN NEVADA.

How the Young Ladies Kiss in Seven Flourishing Towns.

The Bodis Free Press says that the Aurora girls are not satisfied unless they are kissed on the mouth. They prefer to be embraced at the same time.

A Carson girl starts in to kiss at thirteen or fourteen, and by the time she is twenty she has a perfect knowledge of how it ought to be done.

There is nothing backward about the girls of Reno. They enjoy kissing and are proud of the way they go about it.

The girls of Virginia City are considered cold and more fond of dancing than kissing.

The Bishop Creek girls want to be kissed on the mouth every time. They dignified, cold and aristocratic kiss on the forehead does not go with them.

When a Bodis girl is embraced she wants to do all the kissing herself, and the noise she makes resembles the report of a rattle striking against the dining-room door.

When bed-time arrived I sought my room, which opened directly on to the street, and not accustomed to retire to rest in full view of the public, I did not take a lamp.

My bed was hung with mosquito netting, which completely enveloped it, and when I awoke in the morning I counted more than a dozen dead scorpions clinging to the outside of the canopy.

In sailing through the harbor, just outside the "Silver Gate," I passed several fishermen's boats. One of these was a small boat, and I was struck by the appearance of the fisherman who was in the boat.
