says: Gen. D. C. Dodge, the general manager of the Denver & Rio Grande railroad, who has been in this city since Saturday left for Danver last night. Gen. Dodge was entirely satlafted with the manner in which the affairs of the road are being administered here and would have remained longer on this trip had it not been that he is to meet Mr. Potter, the general manager of the Caicago, Burlington & Quincy ratiroad, at Denver, to perfect certain arrangements for the transportation of through passengers and treight from Chicago west via Salt Lake. In view of the fatlure to meet on the part of the general managers, it is more than probable that freight rates thence east, and from eastern points to this city and the coast, will be unsettled.
