wiser, but at least it made me more attentive to my fellow beings-more choughtful of their joys and sor- sale rows-and that counts for something, I reckon. I had cried dozens of pawnbrokers' sales in my time, and never thought anything about them, unless it was that old Two to One or Give and Take were doubling their money, and mak-

ing a pretty penny, even if 10 per cent. commission was taken off. But I had never thought of the story connected with any one article of the sale-of the heartsches, and despair, and woman's tears. It was but a joke to me, one who had known the time to "spout" a watch, or pistol or some like trinket, in order to carry on a frolic or help a poorer chap than I was, was but the impulse of the moment, and I carried no further weight

than the relief from ompty pockets at the moment. But, as 1 have said before, something made me think, and ever since I haven't the same heart to cry away the goods of the poor creatures that want and misery had driven into old Two to One's clutches. The city of B. is a splendid market for our business. The trade done

of our biggest sales An odd lot came into the wareroom dren shall not be robbed of the right and Banks, who didn't know but what one day consigned to us by Clutchem to their father's name." & Keep, a shrewd firm of new begin-She paused to look at me, I felt as keep it anyhow, because his partner had under the most trying circumners, and as it fell to my duty to assort if a severe tension upon her nerves made a miscail. R .- It is popularly supposed that less of merit. Is it true?

Mr. Van S -No. A remedy falsely claiming to possess virtues of which it is fact destitute, will surely fall, as

it ought to. No reputable firm--and druggists are the most competent

marks; but their composition and preparation are scientific, and in accordance with the most advanced pharmaceutical knowledge. R - Can you tell us something about do. the originatore? Mr. Van S.-Weeks & Potter, Bos ton, are importers, wholesale drug gists and chemists, and for twenty five years have been the foremos

house in the trade in New England. The Cuticura remedies have grown to such an extent that the business has been transferred to a five-story labratory, built and fitted expressly for the

purpose, and conducted under the name of the Potter Drug and Chemical Co., in compliment to Mr. Potter, the real discoverer of Cuticura.

Street cars run half hourly to the Union Pacific Depot. On Sunday the cars begin their trips at 9 o'clock a. m., and run regularly during the day at 9, 11, 2 4, 5 and 6 o'clock, and run to city time.

otherwise?

Mr. Van S.-Vory flattering. Al-though they have as yet realized but a bare interest on the amount of money invested, they will in time meet with large returns, because, as I said be-fore, the remedies undoubtedly possess great merit, and besides, they treat blood and skin diseases according to a new and thoroughly rational plan that must take a firm hold on the confidence of those who suffer from chronic diseases of the blood, skin and

BREAKFAST. in severe cruptions on my face. I again resorted to Hunt's Remedy, and after tak-ing it a short time was completely cured of that complaint. Hunt's Remedy has proved very beneficial to me in attacks of sitk headache, which it always alleviates, proved very benchmar to me in attacked of sick headache, which it always alleviates, and I notice the improvement as soon as I take the Romedy. This Romedy has strengthening elements, for it has made me feel much stronger, and has been very ben-eficial to my general health. I most heart-ily recommend it to all sufferers like my-solves well forthed with pure blood and a propin attack whenever there is a weak point. We may escape many a fatal shaft by keeping our-solvas well fortified with pure blood and a prop-arly nourished frame."--Civi dervice Gazotte.
