Jaller Schantz says that so few new boarders are being added to the list that folks must be behaving themselves better than usual, or else the officers are not doing their duty.

Some one has walked off with the second volume of the code belonging to the superior court. Whoever that somebody is should step to the front with the missing volume.

Mrs. Elmira North, an old lady aged 72 years, and rather feeble in health, tells a pitiable story as to how she has been abused by George Witting and his wife Bridget, who are neighbors. The old lady claims that Bridget has slapped her and otherwise mistreated her, and that the Wittings have threatened to kill her and to burn her little house. She has had warrants issued for the arrest of the Wittings, and as she lives all alone, she naturally feels that in view of past troubles she must needs be protected.

As will be seen by a notice given in another column, arrangements have been made by the C. B. & Q. for loading in Chicago daily one or more cars with merchandise sold, consigned to parties in Council Bluffs, and as these cars come through without stopping or change quick time is thereby insured. This arrangement will prove a great convenience to shippers and will make the C. B. & Q. more of a favorite for shippers than ever.

The entries for the coming meeting of the driving park association show that there is to be an unusually lively time. In eleven of the races there are already 52 entries, and some others are on the way. Arrangements have been made by which the folks from across the river can enjoy the sport very conveniently, as a special dummy will leave the Union Pacific depot here every evening of the races at 7 o'clock, and the Union Pacific will sell round trip tickets at one dollar including admission to the grounds.

Death of Mr. Tostag.

Mr. Ed. Tostag, who has been ill for some time at the residence of Mr. A. Rosecrans, died on Monday night. He had resided here for six or seven years and was a carpenter by trade. For the past seven or eight months he has been ill and for the past six months has been confined to his bed at Mr. Rosecrans' house, where he has received the tenderest care and closest attention. He could not have been more kindly cared for by relatives even, and had his mother, who is in Norway, been by his bedside, she could have done no more than did Mrs. Rosecrans, who cared for the invalid with the same characteristic tenderness with which she cares for all those in suffering or distress with whom she comes in contact.

Mr. Tostag leaves no family. His father and mother are in Norway, and the only relative living in this country is his brother.

He was a member of Pottawatomie Grove No. 23, and the benefits arising from belonging to that order are evinced not only by the care shown him by members, but by the financial assistance rendered; his assessments having been only \$4, while his weekly benefits amounted to \$60, and his relatives will now receive his insurance of \$2,000. He also belonged to St. Albans Lodge No. 17, Knights of Pythias, and his brother knights were also attentive in looking after his interests.

The funeral services are to be held this morning and by his request will be under the direction of the Druids. The procession will form at 10 o'clock at their hall opposite THE BEE office on Pearl street, E. Rosecrans serving as marshal, J. D. Nicholson as noble arch, and W. R. Vanouhan as past arch. At a meeting of St. Albans lodge held last night, arrangements were made to attend the funeral and invitations to the three of the lodges of the Knights of Pythias to join also.

If you want to sell or exchange any furniture go to A. J. Mandel's.

Home, Sweet Home.

Last evening four members of the Bavarian band started for a visit back to fatherland. The gentlemen were Messrs. John Hurther, leader of the band; Paul Zehmer, H. Wirth, and J. Christmann. They will probably be absent about two months. When they return, all but one will be accompanied by their families. The Bavarian band has delighted the citizens of the Bluffs with sweet music in times past, and THE BEE is pleased to be able to state that their ability to do so is still unimpaired. During the absence of Mr. Hurther the leader-

ship will devolve upon Ms. Jacob Schmidt. May the sweet musicians of Bavaria enjoy their trip and return in safety.

One of the substantial institutions is the Savings Fund and Loan Association, Cedar Rapids, Iowa. Legally organized, officered and managed by reliable men. Every unimpaired person should have a certificate in this association. It is a splendid investment. Write for circular. Good agents wanted.

NEW LOAN AND IMPROVEMENT COMPANY. Investigation into the matter comes to that one of the most equitable, reasonable and feasible plans of raising money is that proposed and operated by the Mercantile Loan and Improvement company of this city. By investing in shares in this institution, which is backed by some of our best and most reliable business men, it becomes possible and comparatively easy for a man of moderate means to secure a comfortable home for himself and family. In fact, a certain number of shares, at a small monthly payment, in a few years will own for about the same as he pays monthly for rent. We have the Mercantile Loan and Trust company, by organizing and opening for business, having filled a long and most important want in Council Bluffs. Their plan and system of loans will bear the most careful scrutiny and examination, and we have no hesitancy in recommending them reasonable and honorable and backed by gentlemen of honor and integrity. As the company exists it becomes at once an institution of value and credit to our city and those who desire homes. Their president is T. A. Kirkland, vice president, Judge Pease; secretary, L. R. Henry; treasurer, Col. Seeley, and their office is in the basement of Shugart's and McMahon's new block, corner First Avenue and Pearl street. jan 27-ly
