A Jealous Lover Shoots His Rival in the Streets of Oskaloosa.

Arrest of a "Retired" New York Banker Farming Near Atlantic.

The Defaulting Paymaster Lingers Loringly on His Past Career

They Will Be Lynched. Special Dispatch to THE BEE.

Sumner, Iowa, June 8.-The Barber boys were taken to Independence jail the night of June 6th to keep them from the mob. The sheriff of one o'clock to-day and they are in Waverly jatt. The prospects are they will be hung to-night or to-morrow heaviest tea importers of this city, tonight.

The Barbers Lynched.

Special Dispatch to THE BES. DUBUQUE, June 8 -The Herald's Fayette county, and were led by a brother of Shepherd, whom the Barber boys killed last fall at West Union. The sheriff refused to give up the keys, and the mob battered down the doors with a sledge hammer, and after a short delay inside, brought the oriminals out with ropes around their necks. The boys did not flinch a particle, and did not even plead for mercy during the

Jealousy and Pistole.

Special Dispatch to Tun Bun. DES MCINES, Jun 8. - At Oskaloosa yesterday, Rese Purcell, the discarded lover of Miss Turner, met the young lady walking with Mr. DeBofid, and after upbraiding her for her unfaithfulness, turned upon DeBofid and said, "You are the cause of this trouble," drow a pietol and shot Da-Bofid in the left side of the neck, the ball passing upwards and coming out at the right side of the face, then tried to shoot Miss Turner, but was prevented by the crowd of men who gathered. Purcell ran away and has not been apprehended. DeBefied's wound is considered very dangerous.

Moore Villainy

Special Dispatch to THE BES. DES MOINES, June 8 -A detective from New York arrested William C. Moore in Bason township, ten miles from Atlantic, yesterday. The pris-oner is now in the county jail. Moore was president of the Victor (N. Y.) bank, a branch of the Rochester bank, with Mr. Charles Upton as which the rendering tanks were filled, same day, the Victor bank with \$130,000 deposits and no assets, while the Richester bank gave a showing of \$90,000 deposits, with but \$50,000 assets. Charles Upton's trial comes off at an early date. Moore and his son George came to Atlantic three months ago and George bought a farm in the township where they were living at the time of his father's arrest.

The Wasson Courtmartial,

GALVESTON, June 8 .- In the Wasson courtmartial the defense introduced Gen. Vincent, assistant adjutant; Major Russell, department inspector, and lieutenants Hickey and Lester, eighth cavairs. All testified at great length as to the long intercourse with the accused as classmates and comrades, going into details regarding his career and reputation, and toliting how he was looked up to as the soul of honor and an exemplar of moral character and temperate habits. The accused then requested adjournment till Monday, as Horace Wilson, of San Francisco, a material witness next meeting.

Will Probably Got a Rest.

Special Dispatch to THE BER. CINCINNATI, June 8.-John Bittner, Jr , 15 years old, is on trial be arson, being charged with burning the Dabus cooperage works in April, 1882, entailing a loss of \$100,000. Two witnesseses testified that the boy told that he set the place on fire; that he had made two attempts before, the factory.

fled and never returned. He is thought to be in one of the Sout American states.

Nickerson Disappears

PHILADELPHIA, June 8 - The whereabouts of Major Azor Nickerson, U S. A., whose first wife has filed an application to set saids the decree of divorce granted to the Major, is unknown to counsel and friends in this ity. All inquiries are fruitless.

TEA INSPECTION.

The New Rules and Their Effect on Chicago.

Special Dispatch to Tun Bea. CHICAGO, Jone 8 .- The report from

Washington that the secretary of the treasury has ordered that samples of tea arriving in San Francisco for Chicago merchants should be sent to New York for inspection before the tea is delivered has caused some talk among those most interested as to the reason for such order, and the influence it would have on the tea trade in this

"If the report as published should prove true, that samples of all teas arriving in San Francisco consigned to Chicago should be sent to New York for inspection before the tea is deliv-Bremer county returned with them at ered here, would it in any way be detrimental to the tea trade in this city?

day.
That would depend a good deal on how it was done. If some samples were sent to New York ahead of the arrival of the tea, and examined there special from Waverly says the Barber without loss of time so as to allow the boys were taken from jall by a mob at tea being delivered here immediately 11:30 o'clock to night and hung to a on arrival, such order would not make tree, half a mite east of the jall. The mob was composed of men from caused in the delivery of the tes on arrival, then it would be injurious to the interests of the tea trade. We don't want to have any time lost in the delivery of tea on arrival." The gentleman also stated that the

only excuse which could be offered was the fact that no tea inspector had been appointed for Chicago.

"Oh! yes. The tea interest of this city are the largest in the country. Recent statistics show that far more tea arrives at San Francisco for distribution at Chicago than arrived at New York. The amount of business done is large enough to have an inspector here, and that one has not been appointed is only because, as I client, to relinquish all claims for have already said, no inconvenience \$500. The case was submitted with deferred until autumn, but a motion the present arrangements. Should it be necessary to have an inspector

here, one will be appointed." Mr. Spalding, collector of customs, declined to converse on the subject.

THE OLD WORLD.

ENGLAND.

Special Dispatch to Tun Bun. LONDON, June 8 .- A stormy debate arose in the commons to-day on a mo-tion to recommit the Lord Wolseley and Baron Alcester annuity bills, for the purpose of commuting the proposed pensions for lump sums of money. Sir Wilfred Lawson (radical) and Lord Randolph Churchill (conservative) opposed the motion. The latter alleged an inquiry into the Egyp-tian war was first necessary. The origin of the war, he said, was disgraceful, not glerlous, as the govern ment's puppet, the khedive, was the real author of the massacres at Alexandria.

Sir Stafford Northcote (conservawould not be induced by the noble lord to accept a position degrading to Gladstone declared Churchill's alle-

gation in regard to the khediye entirely at variance with all evidence in the hands of the governmen. Churchill promised to give proofs of his statement if the government would grant the proper frquiry.

races were resumed within haif an hour.

ter in 33.

Free for all pace, Florabella won, Fuller recond, Gem third, Sailor Boy distanced; time, 2:17‡, 2:13‡, 2:16, 2:17‡, 2:19‡ Fuller took the second heat, Florabella the

third and last. LEE PARK RACES. WILKESHARRE, June 6.—The special purse of \$1,000 was won by Edwin Thomas; best time, 2:23.

Fiftren Years of Suffering—B: dy Covered with Humor —Had Twelve Doctors —Paid Cut \$500—No Cure—No Hope. I will now state that I made a miraculous cure I will now state that I made a miraculous cure of one of the worst cases of skin diseases known. The patient is a man 40 years old; had suffered fiftee; vears. His eyes, scalp an i nearly bis whole body presented a frightful appearance. Had had the attention of twelve different physicians, who prescribes the best remedies known to the profession, such as lodide, potassium, arsenic, carrosive sublima'e, rarsapailla, etc. Had paid \$500 for medical freatment with but little relief. I prevailed man him to potasium, arsenic, cirrosive sublima'e, rarsapailla, etc. Had pale \$500 for medical irestment
with but little relief. I provided upen him to
use the Cuticura Fracturat (blood purifier) internally and the Cuticura and Cuticura Soar externally. He did so, and was completely cured.
The skin on his head, face, and ma y other parts
of his body, which presented a most hathsome
appearance, is now as soft and smooth as that of
as an inf nus, with no soar or trace of the discase left behind. He has now been cured twelve
months. Reported by

onths. Reported by F. B. HROWN, Esq. Barnwell, S. C. Feferer co, Dr. A. Barn, Charleston, S. C.

Help'e s for Eight Years-Unable to Walk for the Year-Got About on manus and knees-A Wo derful Cure I have had a most wonderful cure of Salt Reum, Fr. seventeen years I suffered with Sel. Raeum, I had it on my head, neck, arms and legs. I was not able to wark, only on my hands said kin e., for eight years. I tried hundreds of remedies; not one had the least oneet. The dictors said my case was incurable. So my paretts tried everything that came slong. I saw your ladvertisements, and concluded to try Curicular hissents. The Curicular brought the hundre to the surface of my sain. It would drop off as it came out, until now I am entirely well. All I can say is I thank you most heartily for my cure. Any person who thinks this I tter a fraud let them we lie or come and see me, and find out themselves.

WILL McDONALD.
