A DETECTIVE'S STORY.

London Paper. "He isn't here." "He's across the river." "He was a gonn' up on on skates on the ice, to take the stage coach at East Hard Up. You'll have to go and see him there, for he ain't a-comin' home again. You must be pretty quick, for he was a gonn' to start not far from this time."

London Paper. "He disappeared with speed, and it was done--I mean the supper--and before my short and rapid meal was complete the required remaining articles were at hand; and paying my bill, putting the skates and stick in my pocket, fortifying myself with comfort, overcoat, gloves and mittens, and grasping my stick in my right hand, I was out in five minutes."

REMEMBER THIS.

If you are sick Hop Bitters will surely aid Nature in making you well. If you are constipated, or are suffering from any of the numerous diseases of the stomach or bowels, it is your own fault if you remain ill, for Hop Bitters is a sovereign remedy in all such complaints.

ONE EXPERIENCE FROM MANY.

I have been sick and miserable so long and had caused my husband so much trouble and expense, no one seemed to know what ailed me, that I was completely disheartened and discouraged. In this frame of mind I got a bottle of Hop Bitters and used them unknown to my family.

London Paper. "I shall be done in fifteen minutes, sir." He disappeared with speed, and it was done--I mean the supper--and before my short and rapid meal was complete the required remaining articles were at hand.
