FINANCE AND COMMERCE.

FINANCIAL.

Special Dispatch to The Bee.

NEW YORK, June 18. The Evening Post says: There were reports on stock exchange of several failures on the Chicago board of trade which were not unexpected, as a result of the failures of Saturday. There were also reports of the failure of a Chicago bank which were undoubtedly manufactured by persons who wanted to affect the stock market, but the reports of the bank failures were probably denied by dispatches from Chicago late this afternoon and prices of stocks were not affected by the rumors. The announcement that the Union, Central, and Southern Pacific had settled their difficulties about rates and will hereafter work harmoniously helped to strengthen the market.

Money--Market easy at 2 per cent.

Prime Meridian Paper--46 5/8 per cent.

Sterling Exchange--Bankers' bills steady at \$4.85; demand, \$4.88.

Governments--Steady.

MINTING STOCKS.

Mining stocks were very dull; Sierra Grande sold at 120 and 115; Horn Silver, 67; Iron Silver, 300; Nevada, 225 and 230; Sutro, Tunnel, 24 and 23; and Sonora Consolidated, 25 and 24. Sales, 22,785 shares.

GOVERNMENTS.

The stock market opened very active and higher than at the close of Saturday and for a quarter of an hour were firm, but fears of further failures in connection with provisions and grain caused a feeling of uncertainty. After the first quarter of an hour there was a sharp break in the whole list of stocks of 36 1/2 per cent on active list, but by 12:30 there was a recovery of 6 1/2 per cent and the market steadied. Of all the forenoon's fluctuations the Northern Pacific and Western Union were steadiest.
