in San Francisco and Cincinnati must be never to be allowed.

MR. BLAKESLY, the trainer of the chorus for the Thomas concert, expresses himself greatly pleased with our home talent. The members of the Harmonic society and the Glee club, who will form the leekbone of the Thomas chorus, have had an excellent training as a preparation for the festival before Mr. Blakesly's arrival. From the present outlook the concerts bid fair to be an artistic as well as a financial success.

The Mississippi river improvement Exchange proposes to call a committee "necessary appropriation" next winter for the improvement of the river. The shameful river and harbor steal for eastern creeks and frog ponds has set back for fully five years the great work of improving the Mississippi and Missouri

A Pittsburg jury gave a verdict against a railroad company for the amount of mony stolen from a passenger in a sleping car. "Since the defendant," said the judge, "sold a ticket for two dollars in addition to the regular rates of passage, and offered the facilities for sleeping as an inducement to pay the extra money, it bound itself to protect its patrons while they were asleep and for the time being helpless."

BETWEEN the eastern and western divisions of the Northern Pacific railroad, there is now a gap of only 130 miles. The miles of Helena, while the western division is now within twenty miles of Misopening will be appropriately celebrated, and each person on the first trip will be land grant tax shirking a grave presented with a badge of white silk wrong, petition congress, remonstrate the event.

by rail from St. Louis, St. Paul or Chica-"A Famous London Suburb" miles, have not been on the average Hampstead Heath and give a vividsketch last four years. The frieght on oranges to the stay-at-homes of one of those great from Los Angeles to Chicago — says The pleasure resorts dear to the dwellers of the great metropolis. Convention- Carload. The orange and nut crop is as Art" is treated of in much a staple crop at Los Angeles as The distance by the southern route is by Eastern roads on wheat and corn or on flour and pork. Oranges should be carried by railroad from Los a carload, while the monopoly rates are \$225. The extortion is just \$100 on out, it makes this luxury of California production too expensive to be enjoyed Washington Avenue and Eifth Street, - - - ST. LOUIS. MO. by the majority of the people of Chicago. Oranges from Jalapa, in Mexico, can be laid down in the Chicago and St. Louis markets cheaper than oranges from Los Angeles, and English walnuts duty on, can be shipped from the Meditteranean to New York, Boston, Philadelphia and New Orleans at rates that rule our California walnuts out of the market, because of this Central Pacific railway extortion of \$100 on every carload shipped from this state. All California faults are put under the same ban of exclusion from eastern markets. We produce the best apricots, peaches, pears, plums and table grapes in the world, and there is a denand in eastern cities for all we can produce, but this transportation monopoly charges rates so high as practically to exclude them from those markets.

One Experience from Many.

I have been sick and miserable so long and had caused my husband so much trouble and expense, no one seemed to know what ailed me, that I was completely disheartened and discouraged. In this frame of mind I got a bottle of Hop Bitters and used them unknown to my family. I soon began to improve, and gained so fast that my husband and family thought it strange and unnatural, but when I told them what had helped me, they said, "Hurrah for Hop Bitters! long may they prosper, for they have made mother well and us happy."—The Moth-
