THE CORN CROP.

Its Condition Far Below the Average in Cass County.

The Deluge of Rain Destroys Many Replanted Fields.

Correspondence of THE BEE.

GREENWOOD, Cass County, Neb., June 20.—I am a little surprised to see such glowing accounts of the growing crops of this state at this time, when more surface of the state is under water than has been at this time of the year since my acquaintance with Nebraska, which dates back for a number of years. Believing these reports to be the productions of commercial travelers, who do not know a corn field from a duck pond, and who are misrepresenting the situation and best interests of the producing classes, I feel it my privilege and duty, as a man who plows the soil for a living, to say that the parties who make these reports are ignorant of what they are writing about, or else are wilfully misrepresenting the situation of facts as they exist throughout the corn belt of the United States. These reports are calculated to depress the market prices of the crop on hand. It is safe to say that one-half the present crop has been planted twice or three times, and still not half a stand on the ground. Some fields were not replanted at all. The weeds are taller than the corn in many instances and many fields are so wet and covered with water that it is impossible to plow the corn for many days to come. The consequence is that no crops can be raised on this land this year.

Now all we ask is a fair show and a fair price for our produce. As the farmer is a laborer, in the strict sense of the word, and does his portion in producing the wealth of the country, we feel that misrepresentation of actual facts concerning the growing crops of the country unfair and unjust to say the least. If the farmers of the country who are subscribers to your paper (and they number thousands) will only speak out through your paper it will soon be proven beyond a doubt that the corn crop of 1883 cannot be an average crop as is reported, or even a half crop the country over. Hoping to hear from different sections of the country, I am with respect, yours,

H. H. WOOD.

British Columbia Courts.

OTTAWA, June 20.—In the question of the status of British Columbia courts the dominion supreme court has decided that the province legislature has exclusive legislative authority over procedure in all civil matters in the courts in the province, and can make rules governing the procedure of courts.

For the past two months Mr. Edward P. O'Brien, a comedian well known as Edward Poland, has been engaged in revising the city for R. G. Dun & Co.'s Mercantile Agency, in which he spent several years before adopting the stage. His wife is the sister of Charles Plunkett, now with Lawrence Barrett, and of Percy Shelly Plunkett, of the Scanlan Friend and Foe combination. These companies have just closed the season and will pass through the city next Sunday en route for New York. Mr. O'Brien and wife will join them at this point and go as far as Chicago, where they expect to remain during the remainder of the summer. These little reunions are of rare occurrence in theatrical life, and no doubt a happy party will board the Pullman Sunday afternoon and speed away with few regrets. Mr. and Mrs. O'Brien have made many friends during their short stay in Omaha, who will join with us in wishing them bon voyage.

The Pioneer Wagon Maker and Horse Shoer Keeps Moving.

The pioneer spring wagon manufacturer, Mr. Chas. J. Karbach, whose shops are located at No. 313 South 13th street, run out the other day a fine three spring wagon which he made by special order for Mess. Shaw and Field, the leading contractors, of this city.

Mr. Karbach, who is without exception one of the most practical spring wagon makers in this state, deserves much credit for several vehicles lately turned out of his shop, but especially for the one above mentioned, which is one of the most expensive and solidly constructed wagons in this city.

Mr. Karbach's establishment is also noted for fine horseshoeing, and he has no equal in this city. The care and skill that he displays in the horseshoing trade is attracting the elite of this city to his establishment.

Mr. Karbach is a fine and responsible man with excellent judgment, and he deserves the patronage heaped upon him by our best citizens.

A. S. FISHBLATT, M. D., - - - PROPIETOR.

Dr. Fishblatt can be consulted Every Day Except Fridays and Saturdays, these two Days being Devoted to his Dispensary at Des Moines, Iowa. Special Attention given to Diseases of the

THROAT AND LUNGS, CATARRH, KIDNEY AND BLADDER,

And Female Diseases, as Well as all Chronic and Nervous Diseases.

DR. FISHBLATT

Has discovered the greatest cure in the world for weakness of the back and limbs, involuntary discharges, impotency, general debility, nervousness, langnor, confusion of ideas, palpitation of the heart, timidity, trembling, dimness of sight or giddiness, diseases of the head, throat, nose or skin, affections of the liver, lungs, stomach or bowels—those terrible habits arising from solitary habits of youth, and secret practices more fatal to the victims than the songs of Sereno to the mariners of Ulyses, blighting their most radiant hopes or anticipations, rendering marriage impossible.

Those that are suffering from the evil practices which destroy their mental and physical systems, causing

NERVOUS DEBILITY.

The symptoms of which are a dull, distressed mind, which unfits them for performing their business and social duties, makes happy marriage impossible, distresses the action of the heart, causing flushes of heat, depression of spirits, evil forebodings, cowardice, fears, dreams, restless nights, dizziness, forgetfulness, unnatural discharges, pain in the back and hips, short breathing, melancholy, tire easily of company and have preference to be alone, feeling as tired in the morning as when retiring, seminal weakness, lost manhood, white bone deposit in the urine, nervousness, confusion of thought, trembling, watery and weak eyes, dyspepsia, constipation, paleness, pain and weakness in the limbs, etc., should consult me immediately and be restored to perfect health.

YOUNG MEN

Who have become victims of solitary vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of exalted talent and brilliant intellect who might otherwise entrance listening senators with the thunders of their eloquence or wake to ecstacy the living lyre, may call with full confidence.

MARRIAGE.

Married persons or young men contemplating marriage be aware of physical weakness, loss of procreative power, impotency, or any other disqualification speedily relieved. He who places himself under the care of Dr. Fishblatt may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

ORGANAL WEAKNESS.

Immediately cured and full vigor restored. This distressing affliction—which renders life a burden and marriage impossible, is the penalty paid by the victim for improper indulgence. Young people are apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now who that understands this subject will deny that procration is lost sooner by those falling into improper habits than by prudent? Besides being deprived of the pleasure of healthy offsprings, the most serious and destructive symptoms of both body and mind arise. The system becomes deranged, the physical and mental functions weaken. Loss of procreative powers, nervous inability, dyspepsia, palpitation of the heart, indigestion, constitutional debility, wasting of the frame, cough, consumption and death.

A CURE WARRANTED.

Persons ruined in health by unlearned pretenders who keep them trifling month after month taking poisonous and injurious compounds, should apply immediately.

DR. FISHBLATT,

graduate of one of the most eminent colleges of the United States, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the ears and head, when asleep, great nervousness, being alarmed at certain sounds, with frequent blushing, attended sometimes with derangement of the mind were cured immediately.

TAKE PARTICULAR NOTICE.

Dr. F. addresses all those who have injured themselves by improper indulgence and solitary habits which ruin both body and mind, unfitting them for business, study, society or marriage.

These are some of the melancholy effects produced by the early habits of youth, viz: Weakness of the back and limbs, pains in the head and dimness of sight, loss of muscular power, palpitation of the heart, dyspepsia, nervous irritability, derangment of digestive functions, debility, consumption, etc.
