CURED!

I was laid low by an attack of Bronchitis and Minister's Sore Throat, and my life was almost despaired
of, when my doctor said try S. S. S. I hesitated for
some time, but I was afraid of being permanently
laid aside from the active duties of my ministry, I
decided to give the preparation a fair trial, and after
persevering in its use I found complete relief, and
am enjoying excellent health. I am clearly of the
opinion that Swift's Specific is one of the best Alteratives and Blood purifiers in existence, and I take
pleasure in recommending its five curative qualities
to others afflicted as I was.
