THE BEE BUBLISHING CO., PROPS. E. ROSEWATER, Editor

THE Ohio democrats have put forward one of their strongest, if not their strongest, man in Judge Headley as candidate for governor. RETURNS from a majority of the county

cans propose to father absolute prohibition, even at the risk of weakening their party on the effort.

probably three times as many.

State of the Married on Earth."

Judge Hoadley was a republican once, mission of Southern Dakota. but he is a convert to the democratic version of civil service reform, which demands as the essence of reform the remotheir stead of democrats.

not served upon him.

pay. This discovery is not so new as to year. be startling.

Captain Nutt by his son through the killing of the murderer Dukes, all of which events have taken place within a week, indicate that although justice may shows a decided falling of the sure states and the sure of the sure which events have taken place within a with the exception of lard, the report settle something. They are anxious and who remained in the army until the outmiscarry through juries, there is a final resort to outraged public sentiment, which often deals out justice outside of the forms and cover of the law.

Donsey is out with another letter in which he charges all his troubles on the political resentment of Jones and Me-Veagh and insists that he never made a 1883 dollar out of the government which he did not honestly earn. The best place for Dorsey just at present would be out of sight on his New Mexican ranche. The public outside of Washington have no ear for his misfortunes.

THE break in the lard corner which hopelessly stranded a score of operators price in food products is a blessing undisguised. McGeoch and his gang deserve no sympathy. Their system of locking up grain, corn and lard in order to swindle smaller speculators, and to catch and squeeze the last dollar out of the unwary is contrary to public policy. It is nothing less than a huge gambling operation with all consumers of food as the victims. 'Corners,' unsettle legitimate business and drive away trade. No one mourns when these manipulators are caught in the trap which they have set
