CLARINDA NOTES.

Sorrespondence of Tue Rice. CLARINDA, Iowa, June 20.-We had three days of clear weather and began to from June 25 to July 3, will afford a bet- think the wet spell was ended, but last such a character that the fields may be run, so that there is hope for a fair crop will be of general interest:

> ury and prosperity out of mother earth's they have no bad luck and no further ample bosom. You can't think of any business that would be worth "shucks" if the crops fail, unless it would be the undertaker's. These wet days make meris washed out at numerous places, but the chants' faces as long as a hoe handle. for he creates that which makes the banks. He ought to dictate the financial and

convention.

The Methodists here are charmed and excited by a woman preacher, a Mrs. Robinson, revivalist. She has been preaching and holding religious services night and day for two weeks. Sundays voice, an unlimited flow of language. Agency is fully one foot, if not more, She appeals to the emotions rather than under water. M. Henry Russell yester-Paul did, and because, I am sorry to say, row out and perform the work properly. Paul did, and because, I am sorry to say, a spirit of jealous rivalry exists between the two leading churches here. But Mrs. R. is doing good. She has blended the warring factions that sprung up in the church during the building of the new church. [Say, isn't it dreadfully inconvenient to call both the building and the organization a "church?"] But she has made no converts yet, I believe. Her harvest is not cutte ripe.
