THE DAILY BEE.

OMAHA.

Thursday Morning, June 28.

LOCAL BREVITIES.

-George J. Sternsdorff, of the U. P. general freight department, has returned from a trip met a number of his old friends, among whom were Charles H. Austin, well known here in Omaha and one of the brightest men that ever covered a foot of ground. His many friends here will be glad to hear that Charlie has taken unto himself a very charming and accomplished young lady and is enjoying con-Denver takes the cake of all cities he ever seen and claims be is feeling much better since he has returned than before he left, which we are glad to hear.

-Mr. Michael Purcell, section boss on the B. & M. railroad at Parks. Neb., arrived in town last evening in reply to a telegram announcing the death of his son Michael, 22 buried at Belle Plain Tuesday. His father sent the telegram, and he feels had on account

seven inmates conducted to the city's quarry, parts of sentences which they where they will languish until Judge! Benecke can pass his judgment upon them.

Divisions Nos. 1 and 2 of the A. O. H., will reed instruments for the band. -The Her Hose Cart club has challenged

-The grand picnic, under the auspices

Boyd's club to play a game of base ball July

-Hon, C. H. Van Wyck, our senior U. Senator, will be in the city to-day. -The republican state central committee

will meet in Omaha to-day. -A special meeting of the city council will

be held this evening. -The weather is apparently settled. The board of equalization has raised the assessed valuation of Jefferson precinct 35 per

cent, and of Douglas precinct 10 per cent. -Ask yor grocer for D. G. Evans & Co.'s eelebrated Anchor roasted coffee and Star Baking Powder. These are the best and cheapest goods in the market.

-The wholesale dealers of Omaha are forming a club for business purposes, the main object being mutual protectio -Mr. R. E. Copson, the broom manufac

turer at Fifteenth and Pacific streets, is the happy father of a son who arrived Wednes-

-The social of the Union Sunday school at Saratoga Wednesday was enjoyed by one of the largest audiences ever in Lyceum half. It was a decided success in every particular, -Mr. Hugh Fitzpatrick has been sent to the

pest house as assistant steward, it appearing that the small pox is not by any means rooted out yet. -A couple of girls at the Creighton house

em hit the other over the head with a wall which will keep out the water. tumbler, inflicting some serious cuts. -W. W. Warren, charged with swindling

-Hou. James G. Blaine's great work will oon be out. It will be an inside view of government from Lincoln to Garfield, including a sketch of men and measures during the "twenty years of congress." The fifty fine steel portraits of contemporaneous statesmen will be an interesting feature.

F -In the police court yesterday one man arrested as a suspicious character was discharged. An individual arrested for vagrancy was also discharged. One crank and vagrant was sent up for ten days on bread and water.

-The B. & M. railway will follow its usual Fourth of July custom and sell excursion tickets at half rates between all stations in

which goes into effect next Sunday, July 1st, will make Omaha quite an important eating station. For several years past Omaha has not been a regular eating station, but hereafter four trains will stop at the Union Pacific de-3, 4 and 15, (the train from Lincoln) for din-

National bank, an unintentional omission was The building contains made in mentioning the men who did the rooms, which are crowded, notwithstand work. Mr. C. Specht, the well-known cornice ing that people said of it, as they have of every one from the Center to the Lake the cornice work, and Mr. J. C. Brennan did school four miles north, that they did not the plastering, both being first-class, as all who see where there would be children enough know the gentlemen will readily believe.

-We notice in yesterday's dispatches that the Omaha oil company, which is composed of W. A. Paxton, A. T. Clarke, Richard Kitchen, John T. Clarke, L. E. Beaumont and H. J. Foote, have struck oil in big paying quantities near Rich Hill, Missouri.

The company was organized about two months are constant to the control of the company was organized about two months.

HAPPY FACES.

Three Thousand Five Hundred School Children and All Busily at Work.

The Cass Street, South, Center, Hartman, Jackson and West Schools.

The whining school boy with his satchel and shining morning face, creepto the Rocky mountains. While in Denverhe ing like a snail unwillingly to school, may have been a familiar object in Shakspeare's day, but the species is extinct now. Shining morning faces are plentiful enough, but no whining ones. With the banishment of the rod have vanished fears and tears, and with the unbial bliss as well as anybody. George says birth of new methods has come a fondness for school work and a delight in learning. In all the schools of this great city, in all the three thousand faces of school children which the writer of these and articles has seen in the past few days, not one unhappy sign was to be discovered.

At no school was this more evident Wilbur is principal. She teaches the was not notified until his children in this city first grade C and the second grade A sent the telegram, and he feels bad on account of this neglect of the railroad company.

—A house of ill-repute was pulled last evening in the vicinity of Twelfth street—the forty, is in charge of Mrs. Lemon. She proscribed neighborhood-and some six or was teaching them words by propounding finished and by having them describe her and each other's personal appearance. Mrs. Perkins also had a first A and B class of

thirty-five.
Miss Schoonmaker's scholars, forty of take place at Hascall's park, July 4, 1883, the the second B and C classes, were writing proceeds of which will be used to purchase on their slates an account of what they would do before bed-time when they went home. Some were going to dress dolls, some go after the cow, one boy would help his faiher make a screen door and another precocious lad intended to "read in Hill's Manual." Nearly all forgot to mention their supper. We print the one written by Anna May Tully, aged seven, because of its con-

"When I go home I will eat cherries and I will help my mamma pick the stems off the cherries and then I will get 25 cents and I will buy my mamma a pair of stockings and I will put them under her pil-low and when she goes to make up the bed she will see them and she won't know

where they came from."
Miss Parratt has the third A and B, forty-one scholars. She and all the upper class teachers were preparing for examination. Miss Hale has thirty-nine of the fourth A and B. On her black-board was one of Garfield's pithy sayings, "Ideas are the warriors of the world." Miss Sarah McCheane has the fourth C

the same yath is a seven-room building and is to be in the same yath is a seven-room building and is to be in the same yath in the same that is the same to the city, to the two new rooms in a corner left for them.

Jacobs teaches the first A, 45 pupils, and ing and get home the same evening.

The are also a second fast freight, local the running time of got into a little row yesterday and one of four feet and surrounded with a stone

Miss Stannard is principal of the South school, and takes for her class each the railway companies and banks of quite a sum of money, has been released on a writ of habeas corpus and re-arrested on a writ from a northern county.

South a sum of the class each year the little tots as they come in for the first time, seeing that they are well prepared for the ascending scale. She has forty little ones of the first C class in a room filled with beautiful flowers and -In the district court Monday Mike plants. The examination in spelling of Quinlan pleaded guilty to the indictment of stealing silk from Williams' store. He was one of the partners of Dug Maguire, who was tried and was convicted for the same offense. and the Webster-Franklin in advance.

Miss Jessie Harper, late of Burling-ton, Ia., teaches the A class of the first grade. Her room in the basement had been flooded with water and mud, and was in a terrible condition, so she was was in a terrible condition, so she was teaching in the hall above. Miss Briggs was holding an examination in reading in her class, the second C and third A, forty scholars. Her second C class had used ink for the first time in writing this examination, and did quite as well as the third grade.

Miss Thompson, third C and fourth A classes, forty-one scholars, was conducting an examination in spelling. The examinations in the different rooms on Nebraska not over two hundred miles apart.

Tickets will be sold on July 3d and 4th, good to return on or before July 5th, at full regular work as The Ber would have desired. Miss Trueland has thirty-fare one way for the round trip. Children under 12 years of age, one-half that rate.

The new time table on the Union Pacific.

This practice is really the discretion of the authorities.

III. Each pupil should come with suitable clothing to last one year. The clothing should be marked. A few dollars should be left with the principal for sounds of letters. This practice is really nothing more than learning to use the

dictionary intelligently.

Attached to the South school are some outside rooms. In the old M. E. church near by, Miss Bennett teaches the secon pot for meals—No. 2 for breakfast; and Nos. B and fourth B, with forty pupils. In a alike to the rules and regulations. room at the corner of Seventh and Pacific streets, Miss Eddy has thirty-eight of the fifth B and fourth C. Every school pal of the Institution for Deaf and Dumb, has a multitude of strange and amusing nissives sent in each week as excuses for A Southwestern railway for \$1,900. The suit was an appeal from an appraisement of land condemned by the railroad company. The verdict was twice as much as the value placed upon the land by the appraisers.

Instance sent in each week as excluses for the absence of scholars. Here is one style at the South school: "Bean as my old clock is all out of order, the children was late to-day. If this won't do for an excuse trot them home and I'll give your something else." And the teacher don't know whether it was meant to be funny

THE CENTER SCHOOL

is so named from Center street which runs south of it. The school is in a new building, the prettiest of its size in the ng rod business and was anxious to be set city, occupied for the first time last January. It is situated on the second hill south of the tracks on Eleventh street architects in the west, and the building would by five pounds of steam from the boiler, which is 10 by 3 feet and self-feeding so that one boiler of water will last a season, In our article describing the Nebraska all the waste steam being returned. to fill it. It also has its "mission" school, Miss Hyde teaching thirty acholars of the first A class, three blocks south in the old Hascall school.

Miss Redfield has the first A, B and

B division, and this is her first year at teaching. Writing a column of figures on the board, her scholars would shut their eyes at the last figure and soon give the answer. Miss McCarthy, the principal of the school, teaches the fourth grade, all classes, fifty-six scholars

A Nearly Fatal Accident on Tentl Street.

About 11:30 o'clock yesterday workman who was engaged in the work of excavating for the laying of gas pipe on Tenth street, in front of the Boston store, wasvery nearly killed by the caving in of the walls. He was at work on the scaf folding when the walls of thesewer caved in, and it overturned, throwing him to the bottom of the pit, where was covered by the earth up to his neck.

A large crowd soon gathered and mer ent to work with pick and shovel to extricate the unfortunate man. This was finally accomplished, and after taking a glass of beer he was sufficiently restored to go to work.

It was currently reported up town that the man was dead, and quite an excitement was created. The man in charge of the work was very anxious to keep the matter out of the papers, and refused to give any particulars whatever.

Paul Nelson is especially mentioned for his energetic work in extricating Mr.

Paulson. The sewer is about sixteen feet deep, and the accident was, it is said entirely due to the fact that the planking Pure blood helps to make a clear con
