A PRINTERS STRIKE.

At Seven o'ojock last evening, all the compositors employed in the offices of the Omaha dailies deserted their cases to go on a general strike for higher wages.

Having no previous notice of the intended strike, we were not prepared to supply the vacant places last night. We therefore beg our patrons to be indulgent for a few days until our printers force is recruited, or the strike terminated.

Meanwhile we will endeavor to furnish our readers a synopsis of the most important local and general news.

GLAD GIRLS.

They Join in a Happy Observance of Commencement at St. Francis Academy.

Yesterday morning the exercises ar ranged for the eighth annual commence ment of St. Francis Academy caused a very large gathering of parents, relatives and friends of the participants to gather at the building, every seat being taken, and many of the audience being content to stand even rather than miss the interesting programme. The rooms, thrown together into one large hall for the purpose, were very attractively decorated with festoons of green leaves, with bouquets, floral designs, and with mottos of green upon a background of white, their visitors being greeted by such wordings as "Religion and Science," and "Welcome." The stage at one end of the room was very attractively arranged and

The programme, as given in yesterday's BEE, was carried out very successfully. MAX MOHN, It was opened in a beautiful manner by an entrance march in which all the girls J. M. BARSTOW M. The little JAMES FRANEY. folks in their Violet Song, in which they tossed their little boquets to the audience was especially pleasing, and called forth enthusiastic applause. A little operetta, "Miracle of the Roses" was performed charmingly. In such a lengthy and varlarize with any justice. All the participants merited praise, and the exercises WADE CARY, were so wisely arranged as to give an exthis school.
