markable testimonials we have received unmistakably prove.

Messrs. C. I. Hood & Co.: Gentlemen.

• • My youngest son has always been troubled with Scrofulous Humor; sores in his head discharging from his ears, and a running sore on the back of his ear for two years; his eyelids would fester and ulcerate, discharging so that I was obliged to wash them open every morning, his eyelashes nearly all coming out; he was exceedingly dainty, most of the time eating but two slight meals a day. We were unable to find anything that had the least effect upon him till last spring, 1876, we gave him two bottles of Hood's Sarsaparilla. His appetite improved at once. • The back of his ear healed up without a scar, and not a sore in his head since. Sincerely yours,

Sarsaparilla has been known as a remedial agent for centuries and is recognized by all schools of practice as a valuable blood purifier. It is put up in forms of almost infinite variety, but Messrs. Hood & Ce., (Lowell, Mass.) who are thoroughly reliable pharmacists, have hit upon a remedy of unusual value. Certainly they have vouchers of cures which we know to be most extraordinary."—Editors Lovell Weekly-Journal.
