THE BENTON
HAIR GROWER

If the roots of the hair are not dead, (and they seldom are) it, in 80 per cent. of the cases of BALDNESS, produce the NEW GROWTH of HAIR, and what will GROW HAIR will STOP its FALLING OUT and PREVENT its turning GREY, because it is all the result of invigorating the roots. DANDRUFF IS CURED BY HEALING THE SCALP. WE WISH THAT ALL PERSONS HAVING DISEASED SCALPS WOULD USE THE HAIR GROWER AS IT WILL CURE MOST CASES. THE BENTON HAIR GROWER IS FOR SALE BY WHOLESALE AND RETAIL DRUGGISTS EVERYWHERE, OR WILL BE SENT BY MAIL, PRICE, $1.00. ADDRESS, THE BENTON HAIR GROWER CO., Brainard Block, Cleveland, O.

ST. PATRICK'S SAY.

The Distingnished Lobbyist Viewing the Scenes of Former Glory.

How Nebraska Interests are Attended to in the House of Representatives—The Census Scheme.

WASHINGTON, D. C., July 2d.—Washington is oppressively warm, with the thermometer vibrating between ninety-five and one hundred, the barometer without indications of rain, and no refreshing breeze except from the malarious precincts of Swampoodle on the north, and the Potomac flats on the south.

The president of the U. S. has retired to the umbrageous retreat at the soldiers' home, and indulging himself in lemonade and water-ices, discussing between refreshments with the kitchen cabinet, the probabilities of the action of the republican convention of '84, or the relative power of the whole royal family with its knaves to conquer a straight issue of the people.

Nebraska is poorly represented at this time. Her Adonis was wandering around the corridors of the old National until a few days ago, but he has departed for the "Hyperborean regions," presumably to look up Schwenck and prepare a few affidavits concerning the ermine of Judge Crawford, or to find who of his constituency opposed the star route that the postmaster-general squelched last Saturday.

Congress in 1861 levied a direct tax against the states and territories of twenty millions of dollars. Nebraska's portion of that tax was $19,760. In July 1862 the territories of New Mexico, Nebraska and Dakota was relevied by act of Congress and the money oppropriated to pay their assessment, but on account of the negligence of our members of Congress the matter was not attended to, and the appropriation lapsed, was coverd into the treasury and now without an additional act, the state, I am informed by the first comptroller must pay this tax. I am protecuting and have in ourse of settlement $24,942.10 of claims of the state and when the accounting officers of the treasury allow this money or any part of it, it will be credited to the state and the money will not be paid.

This all occurs from the negligence and ignorance of members of the House. I gave the late Senator Hitchcock all the information about this direct tax ten years ago and he prepared a point resolution on the subject. What became of it I do not now. Nebraska has never had a man in the House who attended to the interest of the state, and it remains to be seen whether in the last congressional deal we have drawn two more dueces or whether they can arise above trading for patronage, selling their votes, and attempting to smirch good men, to protect themselves from criminalty and keep their benchman out of the penitentiary.

I have been trying to have the U. S. courts here investigate the frauds perpetrated on the last congress in the matter of the contingent member. So far they refuse to bring up the matter alleging no crime in this district. I have interviewd Col. Corkhill and his assistant in the office of District Attorney but they decline to have anything to do with it. I have tried to leave Judge Dundy and Lambertson to have this matter investigated but they have done nothing in the matter. I will be home by the 1st proximo and when the next U. S. grand jury convenes something must be done to place that rascally piece of business where it belons and exonerate those who though smirched, knew nothing of it. I will furnish your paper with notes of congress and the details of the direct tax when I return.. PAT O'HAWES.
