

THE DAILY BEE. COUNCIL BLUFFS. Thursday Morning July 12.

SUBSCRIPTION RATES: By Carrier 30 cents per week; By Mail \$10.00 per Year. OFFICE: No. 7 Pearl Street, Near Broadway.

MINOR MENTION.

Cheap Railroad Tickets at Bushnell's. Additional local news on seventh page. The Coy house is being raised and improved. Those who have not paid up their poll tax are being sued. One plain drunk named McCarthy yesterday paid \$7.60 for his spree.

value received every time. It is boastful panperism that leads other papers to cry out, "Give, lest we die." They ought to get something of value to sell rather than content themselves with whining, begging, lapping down on the town, and claiming support just because they belong here. The Bee belongs here too, but it is here to do business, and in business-like ways--not to beg.

Thus far this year 550 persons have received permission in this county to marry.

Baby Barnes missed it in Council Bluffs. He should have appeared in some such role as Ben Hogan came in.

The fire alarm or telephone wires, or both, lay so low on Eighth street that a man of fair height, with a silk tie on, must take the "low bridge" dodge to get along.

Cupid announces among the latest taken captives: Henry Walters, of Little Sioux, and Ella Langrecker, of Walnut; Herman Stahl and Charlotte Irgenpengeter, both of Walnut.

Strangers visiting the city should endeavor see the beautiful floral display in the park. If they succeed they should report promptly as residents have not been able to discover any yet, and the only show now is for some stranger to discover the flowers.

The board of education seems to be utterly ignoring Superintendent Farnham, not consulting him about appointing teachers or any other details which he is supposed to know at least a little more than they, if daily experience for years will teach a man anything at all. The purpose of this seems to be to freeze the superintendent out, or to force him to throw up his contract, which has a year more to run. The evident purpose is to confer the position, not on a better man, but on a favorite, to whom it is supposed they are pledged politically. The school board cannot afford to let the political views be connected with the teachers' desks and sacrifice the good of the school for the sake of awarding spoils, or following out favoritism merely. If they want to take the position, however, let them do so openly and above board like men. Like all men, Mr. Farnham has his faults, but the success he has met with, the system he has started here, has now public opinion in his favor, and it will be a hard blow to the school, not merely to lose him, but to have the entire system overthrown, and what work has been done thrown away uncompleted. Still, if the board mean to do this, let them openly take the responsibility like honest men, and not worm about and work slyly. They have already caused the city to lose the kindergarten system. That ought to satisfy them.

The board of education seems to be utterly ignoring Superintendent Farnham, not consulting him about appointing teachers or any other details which he is supposed to know at least a little more than they, if daily experience for years will teach a man anything at all.

The purpose of this seems to be to freeze the superintendent out, or to force him to throw up his contract, which has a year more to run. The evident purpose is to confer the position, not on a better man, but on a favorite, to whom it is supposed they are pledged politically.

The school board cannot afford to let the political views be connected with the teachers' desks and sacrifice the good of the school for the sake of awarding spoils, or following out favoritism merely.

Like all men, Mr. Farnham has his faults, but the success he has met with, the system he has started here, has now public opinion in his favor, and it will be a hard blow to the school, not merely to lose him, but to have the entire system overthrown, and what work has been done thrown away uncompleted.

Still, if the board mean to do this, let them openly take the responsibility like honest men, and not worm about and work slyly. They have already caused the city to lose the kindergarten system. That ought to satisfy them.

All those who were damaged by the dynamite explosion, also Col. Keestley, are requested to meet at Max Malin's Saturday evening, July 14th. Order of C. R. MITCHELL, Chairman.

SEEKING TO SECED. An Attempt to Have a Slice Taken Off From the City.

A petition has been filed for the consideration of the circuit court at its coming session asking that a portion of the property near the eastern limits of the city be set aside and severed from the corporation. The petition describes the property as "all that part of the north half of the southwest quarter of section 28 lying west of the old channel of Musquico creek; all of that part of the southeast quarter of section 29 lying west of the creek; the southwest quarter of section 29, the east half of the southeast quarter of section 30, the east half of section 32 lying west of Musquico creek, all being situated in township 75 north of range 43; all that part of the west half of section 5 and of the east half of the east half of section 6 in township 74 north of range 43 west."

The property owners signing the petition are: J. F. Evans, James B. Rue, John B. Rue, D. B. Clark, Edmund Jeffries, A. S. Bonham, Mary Myers, M. E. Myers, Wilson Duncan, Jacob Schrott, E. P. Breeser, Samuel Hoffman, Thomas Green, Mary Rushton, C. Guilford, Theo. Guittar and V. D. Keller. There have been several attempts made in the courts to collect city taxes upon this property but in each case the city has been defeated on the ground that it was merely agricultural property, receiving none of the direct benefits of the city improvements.

The property owners now want to have the slice taken off of the city entirely and the grounds set up for this territory is wholly agricultural and farming lands and so used and occupied, that the same has never been used for any municipal purposes and received no benefits or advantages from being within the said corporation limits, and that it is not likely to ever be needed for municipal purposes.

Dr. West, Dentist, 14 Pearl street. Real Estate Transfers. The following deeds were filed for record in the county clerk's office, July 11, reported for The Bee by P. J. McMahon, real estate agent.

R. F. Bryant to J. M. Palmer, lots 8 and 9, block 15, Millers addition, \$622. C. R. I. & P. R. Co. to Michael Hagarty, N. E. 1/4 N. E. 1/4 31, 77, 41, \$450. C. R. I. & P. R. Co. to Michael Hagarty, N. W. 1/4 N. E. 1/4 61, 77, 41, \$400. John Johnson to Peter Olsen, lot 6, block 60, Riddle's aub., \$1,000. Total sales, \$2,372.00.

Another case of watch stealing occurred yesterday, and another colored man was run down as being the fellow who took the time of day. The victim who thus lost time was F. Harrison, a boy who regulates the cigar case and coat room at the Ogden house. He had stopped from work long enough to balance himself in a hammock and fell asleep. When he awoke to go on watch again, he had no watch to go on. His suspicions fell across the back dial of a hussion boy, William Dodd, whose hands had once before been on the watch, and who on that occasion claimed to have caught the time just for sport. As Dodd knew where the key was which would unlock the gate leading into the area where the hammock was, and on account of other suspicious circumstances, Officer Leonard put his second hand on Dodd's shoulder and put him in Field's show case for Judge Aylsworth to adjust at his leisure. The affair will probably come up today.

TIED OF THE TIES.

Divorce Cases Coming to the Front for the Court to Consider.

Three more divorce cases are just in the pigeon hole for the coming term of the circuit court.

One of these is that in which Martha C. Darnell seeks to be released from M. B. Darnell after a wedded life of over 23 years, and the children grown to years of maturity. They were married in Jacksonville, Ill., in March, 1850, and the claim which the wife makes against her husband is that of adultery. She says he is well-to-do, and wants the court to not only free her from the matrimonial noose but allow her the homestead in Walnut and \$500 in money.

Dorothy Coghlan has not been married nearly so long, her wedding day being in March, 1881, but she wants to be rid of her John, who she claims began drinking heavily about a week after they were married, and has kept it up since till she cannot stand it any longer. She claims as additional reasons for a divorce that he went off to Idaho and failed to support her, and that he is altogether too fond of other women.

Flora B. Bernette, another woman who believes herself misused, wants a divorce from Charles Bernette, on the ground that he struck and beat her cruelly, and endangered her life.

Mrs. Gray's restaurant, Nos. 21 and 23 Bryant, is serving fine meals at 25 cents only.

WALKED OUT BY A WRIT.

A Carroll County Man Set Free by Judge Reed.

Samuel Craig was yesterday released from the custody of Sheriff Hamilton, of Carroll county, by Judge Reed, on a writ of habeas corpus. The claim set up by Craig, and by which he secured his release, present a queer showing of Justice. The charge against him was for making threats, and on this he was arrested early Sunday morning, July 1st, by Constable I. Chandler, of Roselle township. He was arraigned before Justice Stiffos, of that township, at 3 o'clock in the morning. Rather an early hour in the morning for court business. Craig says he asked for time to get counsel, but this was refused him, and then he asked for a change of venue, and this was also denied him, and he was bound over in the sum of \$500, and being unable to give bonds was sent to jail. This took the successful way of crowding out again.

City Auditor Burke hopes to get away on his New Mexico trip today.

Dr. N. S. Dodge has been called to Springfield, Ill., by the illness of his mother, who is reported as not expected to live. The time of his return depends largely upon the result of her illness.

Miss Lida Horton is paying a visit to friends in Mt. Airy.

Lewis Westfall, who was formerly night clerk at the Ogden, is now at the Union Pacific hotel occupying a similar position.

Miss May Kilmore, daughter of D. H. Kilmore, has returned to Chicago with her cousin, Miss Bertie Taft, who has been visiting her in the city for three months or so.

C. W. Edgerton, Omaha's light weight, was in the city yesterday looking after a case he had before Justice Schurz, in which an adverse decision had been rendered. He didn't allow the threat to rattle him any, however.

C. I. Patterson, of Kansas City, was at the Pacific yesterday.

H. L. Colman, of La Crosse, Wis., is a Pacific house guest.

H. G. Bushmore and Miss L. Conlin, of San Francisco, are Pacific house guests.

S. L. Rappell and F. J. Rappell, Jr., of the Union stock yards, Chicago, were in the city yesterday.

Charles Rice, of Fremont, Neb., took a peep at the city yesterday.

C. G. Kaef, of St. Paul, was an Ogden house arrival yesterday.

Bob Harris, the irrepressible but not irresponsible Missouri Valley scribe, was in the city yesterday.

J. H. Johnston, of Denver, reached the Pacific yesterday.

E. G. Townsend, of Panama, Iowa, was viewing the Bluffs yesterday.

A. S. Avery, of Neola, was in the city yesterday.

O. C. Raab and G. L. Buchanan, Cincinnatians, were trying to keep cool at the Ogden yesterday.

New York was represented at the Ogden yesterday by H. S. Wiggins, Charles MacGeachy William A. Welch and family and family and H. H. Graf.

Masonic Hall. At a meeting last night of the Masonic Temple association the committee on proposed building was instructed to receive plans and specifications for a building to cost \$50,000, and to be built as soon as possible. Secretary T. B. Lacy will receive plans until August 5th for the same.

Our New Loan and Improvement Co. Investigation into the matter convinces us that one of the most equitable, reasonable and feasible plans of building houses is that proposed and in operation by the Mercantile Loan, Trust and Improvement company of this city. By investment in shares in this institution, which is backed by some of our best and most reliable business men, it becomes possible and comparatively easy for a man of moderate means to secure a comfortable home for himself and family. In taking a certain number of shares, at a certain monthly payment, in a few years a man can own a house of his own for about the same as he pays monthly for rent. We believe the Mercantile Loan and Trust company, by organizing and opening up for business, have filled a long felt want in Council Bluffs. Their plans and system of loans will bear the most careful scrutiny and examination, and we have no hesitancy in pronouncing them reasonable and equitable, and backed by gentlemen of honor and integrity. As the company exists it becomes at once an institution of value and credit to our city and those who desire homes. Their president is T. A. Kirkland; vice president, Judge Peake; secretary, I. R. Berry; treasurer, Col. Beebe, and their office is in the basement of Shugart & McMahon's new block, corner First avenue and Pearl street. jan27 ly.

To Our Customers!

In looking over the Seventy-six days of our existence as a firm, we find that we have reason to thank our friends for the
