FINANCE AND COMMERCE.

FINANCIAL

NEW YORK, August 27.

Money—Fairly easy at 2@2½ per cent.; closed 6 per cent.

Prime Mercantile Paper—5½@6½ per cent.

Sterling Exchange—Bankers' bills weak at $4.82¼ exchange; demand, $4.86.

Governments—Firm.

Stocks—Very much depressed during the forenoon by a variety of rumors and allegations in regard to various stocks, also in regard to the financial condition of one or more commission houses. So far as can be learned by inquiry there is not one word of truth in any of the reports and it is apparent they were started for the purpose of making a break in the market. The audacity of the fabrications, however, was such as to cause a break, which was not fully recovered. The net result of the day's business was a decline of ¼ to 2⅞ per cent. Northern Pacific preferred declined 2½, Northwestern 1½. Denver and Rio Grande was an exception to the general decline and closed ⅜ per cent higher.

DR. W. J. HORNE, Beatrice Neb., Jan. 16. 1883.

Dear Sir,—Since I wrote you last, I have experienced a most wonderful change; the pains have all left me and I have gained ten pounds, and feel ten years younger since I first got your Electric Belt, which was about forty-five days ago. I would not take $5,000 for my Belt if I could not get another. I would say to all who suffer with rheumatism, sciatica and kidney diseases, buy Dr. Horne's Electric Belt for one of his $50. Belts cured me of all these diseases in above time. Respectfully, W. W. BOOTH.
