FINANCE AND COMMERCE.

FINANCIAL.

NEW YORK, September 21.

Money—Easy at 2@2½ per cent, closed at 2 per cent.

Prime Paper—5½@7 per cent.

Exchange bills—Steady at 4.82½; demand, 4.85¼.

Governments—¼@¼ per cent higher on all issues.

Stocks—Opened firm with slight advance. Villard's were attacked and declined ½ to 1⅝ per cent and ½ to 1½ per cent on other active stocks. This was followed by a rallly of ½ to 1 per cent, the improvement being general. Then the bears turned their attention to Louisville & Nashville, forcing the stock down to 48½, against 50⅝ at opening. This sharp break affected the whole list unfavorably, more especially Villard's and Union Pacific. Still later another break in Villard's carried Northern Pacific to 36¼, preferred to 68½. Other leading shares also weakened; many sold down to the lowest figures of the day. Near the close there was a fractional recovery. As compared with last night's closing prices, Northern Pacific is down 2½ per cent, preferred 2½ per cent; Oregon 2½ per cent, Union Pacific 1½ per cent, and other stocks ¼ to ⅞ per cent. Chicago Burlington & Quincy rose ⅛ per cent, Illinois Central ¼ per cent.

THE NECESSITY

FOR THE SPECIALIST,

DR. H. WAGNER,

Has long been acknowledged and more so at this day than any other. The vast field of medical science is ever increasing, and its numerous branches are brought nearer and nearer to perfection, and no one man can any longer grasp them all Hence the necessity for dividing the labor. And it is true beyond all doubt that disease, affecting the genito-urinary organs need special study more than anything else, if we would understand and knew how to treat them properly.
