# TEAMING TABLES.

The Detailed Record of the Contest of Department Rifle Teams at Leavenworth.

The Platte Team Gaining Ground With Lieut. Merriam Still In the Lead.

Programme of the Last Three Days of the Battle- The Skirmish Line.

Special Dispatch to THE BEE. LEAVENWORTH, Kas., October 13 .-

There is no practice to-day on Division Range, owing to the heavy rain last The department of the Platte have three in the team, Lieut. Merriam leading with 12 points over the second man. Sergeant Chaplin standing No. 4, and Thos. Martin No. 13. Several of the men of the Platte team have discovered since we have been here, that their guns change them for new rifles, otherwise they consider their standing would have been better. We hope, and with good reason think, the department of the Platte team will show up better in the actual competition next week, as some of our really strong shots have "gone to pieces" several times during the past week, noticeably Sergeant Stay and Corporal Weagraff. I send you a copy of the programme for next week. The team will probably return to Omaha

HALL'S BALSAM FOR THE LUNGS, which considerably benefitted me. I continued until I took nine bottles. I am new in perfect health, having used no other medicine."

In accordance with the decision of Attorney General Powers, the new revenue law, which was supposed to apply to the assessment of 1883, will not become ope rative until the assessment of 1884. County Treasurer Rush says under this interpretation of the law, in which County Attorney Cowin coincides,
