Lower Broadway was in a deplorable condition yesterday. The street had been partially filled up to grade and unfortunately the contractor commenced to grade from the foot of the hill, so that the earth dumped there acted as a damn, and was the cause of considerable damming. Nearly all the cellars along that part of the street were filled, greatly to the damage of their contents, and the the damage of their contents, and the floors of buildings that had not yet been were hardly less horrible than those of were hardly less horrible than those of raised above the grade were flooded with mud and water. The heaviest looser was Mr. J. J. Dickey. The front wall of the foundation of his grocary caved in, letting a flood of muddy water into his cellar all over the vegetables stored there. Last June at the time of the The incoming Sioux City & Pacific there. Last June at the time of the flood Mr. Dickey lost heavily also, as at that time the floor of his building gave that time the floor of his building gave way and let his stock down into a cellar der it which gave way iast night.

A telegram was received at police head-quarters yesterday morning requesting the police to look out for two men wholeft Ida, in Ida county, with a team which was covered by chattel mortgage.

F. Weis, who has recently become a partner of the agricultural firm of Shugart, Waite & Weis, is erecting a fine and commodious residence on South Eighth street, between First and Second.

der it which gave way iast night.

Yesterday's heavy rain caused a washout on the Chicago & Northwestern road and the passenger train due here at 9.45 was several hours late in consequence.

Half a ton of hard coal has been donated by Brown & Myers to the Home of the Friendless, which gladdens the hearts by warming the bodies of the inmates.

A telegram was received at police head-quarters yesterday morning requesting the police to look out for two men who left Ida, in Ida county, with a team which was covered by chattel mortgage.

F. Weis, who has recently become a partner of the agricultural firm of Shugart, Waite & Weis, is erecting a fine and commodious residence on South Eighth street, between First and Second. is stationed there to guard the property from the match of the incendiary or the sparks from the hundreds of locomotives that pass and repass there. That there is stored in the tank 60,000 gallons of inflammable oil, which in case of a fire would cause a terrible explosion; and that the complainants feel that their lives and property are in constant danger. It seems to be the desire of the business men that the necessary storage tanks for the cil business should be under one of the many accessible blufls, where there would be little or no danger
