NEW YORK, November 21. Money—Easy at 263 per cent; closed, offered at 2 per cent.

Prime Paper—50@61 per cent.

Exchange Bills—Firm at 4.83; demand, 4.85.

Governments—Strong.

Stocks, after irregular opening advanced fractionally and then became weaker; after 11 o'clock a firmer tone prevailed and the market advanced 1@1 per cent. After 2 o'clock the market weakened and declined 1@2 per cent, but in the last half hour it was reported that the Iowa pool difficulties had been compromised, and this started a fresh buying movement, the decline rapidly recovered and many shares moved up to the highest of the day. Judge Wallace's decision made second mortgage bonds of Northern Pacific an accomplished fact. It is stated now that all matters pertaining to issue bonds have been arranged as the Northern Pacific company will now be able to settle its indebtedness to Oregon Transcontinental, it is given out that the latter company will shortly issue an elaborate statement. Compared with last night's closing prices are 1@2 per cent higher for the general list, and 1@ per cent for Manitoba.
