NEW YORK. November 22.—Money—Easy at 2@2½ per cent; closed at 2 per cent.

Prime Paper—5@6 per cent.

Exchange Bills—Firm at 4.82%; demand, 4.85%.

Governments—Strong.

Stocks, up to 11 o'clock were strong and higher, with Reading, Louisville & Nashville and Oregon & Transcontinental the principal features; the advance in prices ranged from 4 to 1 per cent. After 11 o'clock Union Pacific displayed a marked weakness, declining from 88 to 86½ per cent. The stock was unfavorably affected by the rumor that President Lovejoy, of Denver, expresses himself desirous of breaking the Colorado pool, and that the company's earnings for October show a heavy decrease. The decline in other stocks was much less important. In the last half hour the bears and room-traders made a fresh attack on Union Pacific, which returned to the lowest point of the day, 86½ per cent. Round amounts of stock changed hands, the sales made at 85½ per cent. The market closed weak compared with last night.
