I have been using Swift's S, or fie in my practice for quite along time, and I regard it the best combination as a blood purifier and tonic. It is entirely vegetable being composed of the extracts of roots which grow in this section of Georgia. I am familiar with its history from the time the I runka was obtained from the Imilae's. It is a critain and afe remedy for all kinds of blood poisson and skin humor, and in the humdred of cases in which I have used it and seen it used, there has never been a failure to cure.
