FINANCE AND COMMERCE.

FINANCIAL

NEW YORK, January 5.

Money—Easy at 1½@2½ per cent; closed offered at 2 per cent.

Prime Paper—5@6½ per cent.

Exchange Bills—Dull at 4.82½; demand, 4.85.

Governments—Strong.

Railroad bonds—In railway bonds the features of the day were a decline in West Shore from 55 to 63, and an advance in Kansas & Texas generals to 84½; the former closed at 65@65½, the latter at 83. Tranactions in West Shore fives raached the enormous total of 1,472,000 shares.

Stocks—At the opening of the stock market a sharp drive was made against Union Pacific, St. Paul and Lake Shore on the announcement that Commissioner Fink had ordered the trunk lines to reduce rates ten cents per hundred on the various classes of freight, and on advices from the west that the Chicago, Burlington & Quincy and allied roads had been unable to come to terms. St. Paul declined 1⅜ to 92½, Union Pacific 1½ to 72½, and Lake Shore 1½ to 95½. The weakness was of short duration, and before 11 o'clock the market became strong and remained so during the rest of the day, at times being buoyant. Leading operators were free buyers. After midday there was quite a boom on reports from the west that the Chicago, Burlington & Quincy had decided to pool competitive business after the 17th inst. This was followed by a fractional reaction, but near the close the market moved up rapidly. Missouri Pacific sold up to 91, Western Union to 76½, Northwestern at 118¾, and Northern Pacific, preferred, at 56¾. There were large purchasers of stocks throughout the day, and operators displayed greater confidence than for months past. As compared with last night's close prices are ½ to 3 per cent. higher, and the majority of stocks show an advance of 1@1½.
