COUNCIL BLUFFS. ADDITIONAL LOCAL NEWS. CRACKSMEN ABROAD. Two Safes Blown Open at Macedonia and the Postoffice Robbed.

The Thieves Leave Their Stolen Team in Council Bluffs.

Yesterday morning Mr. Kenzie found team of horses standing by the roadside in the eastern part of the city, the horses being unhitched from the buggy. which was badly damaged from some accident. Near the bugg; was an old money drawer, apparently taken from some safe, and near by that a rubber

overshoe which some one had apparently dropped cff in a hurry. Mr. Kenzie turned the team over to Mr. Hall, who brought them to Mr. Jennings' stable and put them up there. Soon after the team was thus found the police received telegraphic instruc-

tions from Macedonia to look out for just such a rig which had been stolen from near there. Following this came the following telegram: MACEDONIA, Jan. 10.—Two safes blown open, drug store and postoffice burglarized, jewelry, watches and \$100 of postage stamps and money taken. In all about \$700. The goods and team taken about 3 o'clock this morning.

TOMPKINS & CAUKE.

It appears from this that the safeblowers must have made quick time on the road, for the team and buggy was found here between 7 and 8 o'clock this morning. The thieves evidently met with some mishap on reaching this city, and abandening the team and buggy, seized their plunder, and skipped out with it on foot. The police are on the search for the fellows, but last evening had about concluded that they must have skipped for Omaha.
